1932 INTERSCHOOLASTIC HONOR ROLL

Compiled by E. A. THOMAS.

The writer has endeavored to collect the results of all state high school meets and other important championship events in the country. From the reports sent in an honor roll has been compiled. The best recorded performances in each event during the 1932 season are listed, and outstanding performances during the 1933 season should be reported to E. A. Thomas, 315 West 10th Street, Topeka, Kansas. Reports of all meets and performances should be accompanied by a report on the weather conditions. No doubt several performances in this honor roll have been made possible by favorable wind conditions in only one or two cases were these facts indicated. A verified independent check will assist in the compilation of an honor roll that will really be worth while to the world while will be appreciated.

The Spikes are Detachable

RS2

IN TIMES like these the Spalding RS2 and RS3

shoes can be a great help... particularly during training. For the spikes of these shoes are detachable. When the spikes get blunt or broken, you buy new spikes and not new shoes. And when it comes time to change from indoor to outdoor training, simply change to the style of spikes necessary.

Made on the Spalding last, these shoes have a balance that allows wear-giving construction without that sluggish feeling of weight. Spikes correctly placed give the runner full advantage of his stride. In addition, they hold their shape.

The RS2 is made of fine grade calfskin and has solid leather tap soles. The RS3 is a lower-priced calfskin shoe for those with more modest budgets.
