

Steers' Mark Broken By S.J.'s Wilson In NCS Track Meet

Al Lynch, Palo Alto's only entrant in the NCS track finals held last Saturday at Edwards Field, Berkeley, came home with a tie for fourth place in the pole vault. His effort produced the only point for the Viking school.

STEERS' MARK SMASHED

Vern Wilson of San Jose broke the NCS high jump record of Les Steers, former Paly great and holder of the world's high jump mark. Wilson leaped 6-5 $\frac{1}{4}$. Steers' previous high was an even 6-5.

Larry Broeren of Sequoia, ran a fast 2.00.7 880 yarder to take first in the event. Fremont's John Mesa took fourth in the 220 and fifth in the 100 yard sprints.

Herb Turner, a sophomore from Alameda High, broke his own 220 mark established in the trials to take the event in the time of 21.5. The previous NCS record was 21.9

Sherman Miller, speed demon from Napa High, unofficially tied the state record in the 440, running a swift 48.2. This eclipses by two seconds the previous record of 50.4.

ACALANES WINS

In team standings, Acalanes of Oakland landed the first position in the varsity division. Sequoia placed eighth in both the varsity and lightweight divisions.

RULE BOOK OUSTS VIKES

By a strange quirk of the rule books, Holsti and Sorensen were declared out of the NCS lightweight division. Don Malinoff (discus), Brick Armstrong (220) and Al Lynch (pole vault) all qualified in the varsity division at the NCS trials at Hollister, Lynch went on to tie for fourth in the pole vault at the finals in Berkeley.

—Times
UP AND OVER—Al Lynch (he's that
pot in the upper right hand corner)
ails over the bar with the greatest of
ease. Al garnered a fourth place in
the NCS track meet at Berkeley last
month.
