PRE-MEET PREDICTIONS AND COMMENT ON VARSITY MEET

Nothing embarrasses a sports writer more than a prediction that is viewed after the contest is over. When the event is a high school track and field meet this is even more true, but we felt that if we could talk someone into doping this meet for the program it might assist most of the fans in looking for the expected top performers and at the same time make it possible for you (fans) to better appreciate the upsets that are certain to occur.

Gary Williams of the Palo Alto Times reluctantly consented to have his pre-meet dope sheet reproduced for our program. Thank you for your courage, Gary!

100 yd. dash: Olquin (L) Pinetti (S) Altieri (B) Wetteland (B) Straton (L)

220 yd. dash: Olquin (L) Courtright (W) Peterson (B) Pinetti (S) Altieri (B)

Two-man race; Courtright could upset the dope, but Olquin undefeated.

440 yd. run: Peterson (B) Courtright (W) Crawford and Franzen (S) McKenna (M)

This is the top contest of the day -- McKenna could win or take 5th!

880 yd. run: Blackwood (M) Kranzfelder (P) Gettins (B) Scott (WG)  
Gonzales (J) 1.58.9

These two will run another beautiful race and should force the time under two-flat.

Mile run: Larrieu (P) Rector (J) Cathcart (P) Morrison (P) Whitson (P)  
4.28.6

Another famous Larrieu-Rector battle with a record almost a certainty.

6'0"

Searfoss is the class here, the real battle is for the next places.

San Mateo lad a bit too consistent for improving Lincoln giant.
