HIGH JUMP FOR A LITTLE FELLOW

Lorrell Anderson of Washington High School in San Francisco talks with teammate Steve Gray. Both competed in the high jump in the Easter Relays at Stanford. Anderson, 5-5, leaped 6-3 to win the event. That's as high

as the top of Gray's head. Anderson was the B scoring champion in San Francisco basketball and Gray was the A leader. Gray has high jumped 6-3 this season but could do no better than a tie for third at 5-10 in the Stanford meet.

GREAT FUTURE MILE PROSPECT

Junior Mike Lehner of Palo Alto High School has run the mile in 4:25.6 and will be seeking to improve the mark when the Vikes clash with Menlo-Atherton High School next Friday. Both teams are undefeated in league meets. Lehner, a 107-pounder, helped Palo Alto set a national four-mile relay record at the Easter relays last week.
