TEAM SCORING

Pacific Grove 24, Ravenswood 19, Cubberley 16, El Cerrito 16, Carlimont 15, Encinal 14, San Mateo 13, Los Altos 13, Pittsburg 11, Berkeley 9, Woodside 8, Napa 8, Vallejo 8, St. Joseph's 8, Clayton Valley 5, Monterey 5, Piedmont 5, Bellarmine 5, Fremont 5, Arroyo 5, Las Lomas 5, Menlo-Atherton 4, Richmond 3, Burlingame 3, Riordan 3, Watsonville 3, Carmel 2, Central Jr. High 2, Alameda 2, Antioch 2, Pacific 1, Terra Nova 1, Aragon 1, Ells 1, Pleasant Hill 1, Fortuna 1.

McLeskey's fine, record-setting performances in the pole vault should net him a college bonus. The Aragon whiz arched 14-0 $\frac{1}{4}$ to better the mark set by Westmoor's Dennis Dusty Chase last year. Still, McLeskey had to settle for a second to Palo Alto's Dick Barkley, who got the nod on fewer misses.

Aragon coach Bill Larson confirmed that several colleges are beginning to contact McLeskey, but that Jack wouldn't decide until next week which offer he'll accept.

"He'll be a 16-footer if works at it," Larson added.

LARSON was unhappy about the new scoring system (based on fewest attempts).

McLeskey and Barkley both broke the record with the same height and should share the title."

Encinal Runner Qualifies For CIF State Meet

A powerful half-miler from Encinal high school sprinted out of the pack just before the finish line and qualified to compete in the California track and field championships next Saturday in Berkeley.

Displaying a burst of speed, Ken Williams, Encinal high school senior, pulled away from a bunched field in the final few yards and finished second to long-striding Paul Graham of Los Altos in the 880-yard run in the North Coast section meet at Pittsburg on Saturday. Graham's winning time was 1:55.8. Williams was clocked at 1:56.4 to nose out San Ramon's Dave Anderson at 1:56.8, Serra's Joe Scalminini at 1:56.7, and Belarmine Bob Mack at 1:57.0.

Loss of Tooth

By placing second Williams earned the right to compete in the California Interscholastic Federation title meet at Edwards Field next Friday and Saturday.

Williams will compete in one of the two qualifying heats on Friday afternoon to trim the 18 runner field to eight finals.

Encinal finished ninth in the varsity meet with seven points when Ron Johnson, still suffering from the removal of a tooth earlier, cleared 6-0 to tie for fourth in the high jump.

Alameda distance runners — Albert Rincon in the half-mile and Bob DeCelle in the mile—went unplaced in pace killing races.

Mike Ryan, a sophomore from Wilcox, dog-trotted to victory over long-legged Rlph Likens of Hillsdale in the mile in 4:19.9. George Rios, the great miler from Sunset, was able to qualify only with a terrific final lap that brought him from way back into third place. Likens' time was 4:22.1 and Rois was clocked at 4:23.1

Yellowjackets Win

Berkeley won the varsity with 32 points and Pacific Grove the class B with 24.

Encinal Jets lightweights finished seventh in the class B events with 10 points.

The Jets points came when Frank Ortiz won the 70-yard high hurdles and finished third in the 120 low hurdles, Ron Swisher was fifth in the 330, and the relay team was fourth.

Ted Ferguson scored Alameda's lone point in the class B event when he was fifth in the 1320 in 3:15.7 to breaking the AHS record for the distance.

Ravenswood finished second in Class B competition, where Peninsula teams compiled impressive scores. The top performance of the B meet and the entire competition was turned in by freshman Jim Johnson of Pacific Grove, who tied a national scholastic record with a 23-10½ broad jump. He also won the 75 and 150-yard sprints to personally account for all of his team's 24 points, which won the B meet championship.

Top local competitors among the lightweights included Woodside's Brian Hea who won the 660 in 1:23.6, as Burlingame's Mike Jacobs finished third; Carlmont's Jules Rovere, who was second in the 150 and fourth in the 75; San Mateo's Petie Smith and Brent Thompson, respectively first and second in the low hurdles and broad jump; and Carlmont's relay team-second in 43.9.

McLeskey and Likens Claim Best Efforts

PITTSBURG—San Mateo county will be represented by at least three athletes this weekend in the 45th annual State High school track meet at Berkeley, after each came through with a fine performance here Saturday in the North Coast Section finals.

Carrying the County's colors into Friday night's qualifying trials for the State titanic Saturday will be miler Ralph Likens of Hillsdale, Aragon pole vaulter Jack McLeskey, and Elton Harrison of Ravenswood, who made it in the broad jump.

One other Peninsula runner, Joe Scalmanini of Serra, may be added to the Peninsula contingent after a review of meet films today by NCS officials.

Scalmanini turned on an impressive finish in the 880, crossing the tape only four-tenths of a second behind the second place finisher. He was allotted fourth place Saturday, but that decision may be changed today. Should the Serra pacer be moved up one position, it would insure him of a trip to the State meet.

Several other Peninsula athletes narrowly missed one of the top three slots here that were necessary for a State Meet berth.

The performances of McLeskey and Likens were among the most gratifying of the day for Mid-Peninsula league fans and for the boys themselves.

McLeskey finished second in the vault with a last-chance jump of 14-0 $\frac{1}{4}$, his lifetime best and one that set a new meet record. The Aragon lad would have won the event had not Palo Alto's Dick Barkley cleared the same height on his second jump. Places were awarded on fewer misses.

On both of his preceding attempts, McLeskey cleared the bar with plenty to spare, but brushed it off on his descent.

Likens was a strong second in a wind-swept, talent-laden mile field that saw first place go to diminutive Mike Ryan, the sensational sophomore from Wilcox.

Ryan, Likens' personal friend and track foe, passed the Hillsdale senior with 300 yards to go, after doggedly following the lanky runner through the first three laps.

But Likens refused to give up and hung on for a 4:22.1 clocking, also a lifetime best mark. Ryan's winning time was 4:19.9, exceptional against the perverse winds that plagued the runners all afternoon.

Harrison took a third in the broad jump with a 22-9 $\frac{1}{4}$ leap and almost won another spot in the low hurdles, where he finished fourth in 20.3.

Berkeley won the meet with 32 points, chiefly on the sprint efforts of Jerry Williams, who was slowed by a leg injury but not enough to prevent him from winning the 220, taking second in the 100 and broad jump, and anchoring the relay team to another first.

Carlmont's Andy Sears missed a 220 berth when he finished fourth in 22.6. His team mate Jack Sandin, Woodside's Teall Messer were both shut out of places in the 880.

Likens, McLeskey Make State Finals

By STEVE LERMAN

For Mid-Peninsula track stars Ralph Likens of Hillsdale and Jack McLeskey, Saturday's rugged North Coast Section finals at Pittsburg meant more than another trophy and newspaper clippings. College scholarships were at stake.

Likens and McLeskey both qualified for the state prep finals this weekend in Berkeley after top-notch showings Saturday in the mile and pole vault. Both took praise-worthy second places in one of the "guttiest" North Coast championships on record.

FOR LIKENS, who turned in his personal best mile of 4:22.1, the day helped earn him a scholarship to Southern Illinois University. But it took a little time. Recruiters from that Midwest campus got their signals crossed and journeyed to the Modesto Relays, expecting to find Likens running there. Ralph, of course, was in Pittsburg. The interested parties got together later, and Likens will be eastward bound come late summer. He'll join Jack Leydig, former Hillsdale distance ace, at Southern Illinois.

ing only the two second places, finished in a tie for 12th place at Pittsburg. Berkeley won the crown with 32 points, thanks to Jerry Williams' first in the 220 and second in the 100 and broad jump, despite a bad leg. Wonder what he does when he's healthy?

SERRA could be the third school in the area to qualify for the State finals. The Padres' Joe Scalmanini was awarded a fourth in the 880 although the number two, three and four finishers were neck and neck. A review of NCS films this week could give Scalmanini a third and a State berth.

In B division, Jack King's San Mateo squad, sparked by clutch runner Petie Smith, finished an impressive sixth. Smith won the 120 hurdles with a 13.3 going into the wind. Last week, he set an NCS trials record at 13.1. The new scoring system also cost San Mateo's Brent Thompson a first place tie. Thompson vaulted 12-0 as did winner Wecklewicz from Cubberley, but Brent took one more attempt.

King lauded two of his

sophomores who barely missed scoring. Russ Ichimaru had his best high jump ever, 5-10 $\frac{1}{4}$, for a sixth-place tie, and Joe Caines ran his top low hurdles, 13.7.

BURLINGAME'S Bs got on the scoreboard via a third in the 660 by Mike Jacobs. Aragon and Terra Nova each picked up a fifth place for one point. The Dons' Dennis Sheehan tossed the discus 132-0 to place, and the Tigers' Bob Weydemuller was fifth in the hurdles. Sophomore Jim Cook, of Aragon, fell short of a fifth in the 150-yard sprint.

The meet's outstanding performance was turned in by sophomore Jim Johnson, Pacific Grove, who tied a national prep record with a 23-10 $\frac{1}{2}$ broad jump. He also won the 75 and 150 yard dashes in the B Division to score all of his team's 24 points, which stood up for the B championship.

Falling short in the varsity point race were Terra Nova's Dan Vincent, sixth in the mile, and Jefferson's Dan Martinez, seventh in the 1320.

Cliff Glidden just

missed the finals for Aragon. His shot put measurement tied for fifth in the trials, but his next longest heave was shorter than the other fifth man's.

Likens lost his bid for the mile crown to his old nemesis little sophomore Mike Ryan, of Wilcox. Ralph edged Ryan in the North Coast trials and led Mike after three laps Saturday. Ryan overtook him with 30 yards to go and cut into Likens' lane, breaking the Hillsdale runner's stride. Ryan's winning time was 4:19.9, "excellent" for all the wind he was fighting. He apologized to Likens after the race.

McLeskey's effort was a story bok affair. Coming into the finals with a personal high of 13.9, Larson's ace started at 12 and preceded to clear every notch up to 14. It took him three attempts to vault 14-0 $\frac{1}{4}$ for the record. Then he cleared 14-3 three consecutive times only to have his arms drag down the bar.

LARSON asserted that McLeskey was capable of doing 14-6 this year.

Area prep track gun for state t

By DICK O'CONNOR

PITTSBURG — Midpeninsula athletes made a shambles of the North Coast Section track and field finals here Saturday by taking six first places and qualifying eight for the state championships at Berkeley Saturday.

The domination continued in Class B where 17 area individuals and two relay teams placed. First places in the B division—the farthest the little guys go — went to Nate Handy of Cubberley in the 330-yard dash, Brian Hea of Woodside in the 660, Vic Weckiewicz of Cubberley in the pole vault, and Terry Pennel of Los Altos in the shot-put.

VARSITY CHAMPS

In the varsity division the champions were Bruce Wilhelm of Fremont in the shot, Chuck Smart of Los Altos in the discus, Paul Graham of Los Altos in the 880, Jim Duran of Cupertino in the 440 and Dick Barkley of Palo Alto in the pole vault.

Other Midpeninsulans who qualified for the state meet were Elton Harrison of Ravenswood in the broad jump and Wilhelm who also took a place in the discus.

Berkeley won the team title with 32 points—most of those provided by jet-footed Jerry Williams who won the 220, placed third in the 100, second in the broad jump, and anchored the winning Yellow-jacket relay team.

Harry Ells was second with 21 points and Los Altos third at 18.

BIG SURPRISE

The biggest surprise among the area winners was Barkley's triumph in the pole vault. He had to vault 14-0¼ to win — a height he never before had cleared.

He did it on the first try which eventually made him the winner over Jack McClusky of Aragon who needed two tries to get over the same height.

The finest race of the day—if the cheers of the 4,000 fans could be used as an indication—was the mile.

Mike Ryan of Wilcox, a sophomore who looks and runs like Jim Beatty, led for the first lap and then fell behind Ralph Likens of Hillsdale.

Seemingly out of the race—and the state meet—at the start of the last lap was favorite George Rios of Sunset High School in Hayward.

But in the last 440 yards Ryan forged ahead of Likens and Rios burst loose like a dash man. Ryan won by four yards with Likens just barely holding off Rios. The time was 4:19.9.

For track purists, the best performances came from Wilhelm (62-7½), Ricky Rogers in the high hurdles (14.4), and Johnny Johnson in Class B.

HUGE FAVORITE

Wilhelm made himself a huge favorite for a state title with his throw. It was two feet short of his best but also two feet farther than any of the sun-kissed lads from the South have done.

Rogers rubbed out a meet record in the high hurdles, despite running into a stiff head wind. This was the same wind that held Williams and the other sprinters to a 10.0 in the 100 and 22.2 in the 220.

Nothing stopped Johnson, the phenomenal freshman from Pacific Grove. He whipped through the 75- and 150-yard dashes with hardly a bead of sweat and found time in between to win the broad jump with an incredible leap of 23-10½.

That ties the national freshman record for the event. And it pushed Ravenswood's Bobby Washington into second place with a 23-1¼.

Duran and Graham ran different kind of races to win. In the 440, Duran built up a big lead and then won by an eyelash in a blanket finish.

Graham completely outclassed the half mile field. He sprinted to the front in the first 200 yards and spent the rest of the race locking back to see where the competition was.

He won't have to look back at Berkeley this week. There are half a dozen Southern California runners who have better times than his best of 1:55.2.

Pacific Grove won the B title with 24 points—all from Johnson. Cubberley was third with 16.

.4 at the NCS Division I was tainted because of a discrepancy among the watches. The mark was set as a meet record, but submitted as a national equaling time, and Jerry had a chance to do it again. There won't be any doubt. It would be a shame if this athlete is thwarted this year in his high school career, especially after overcoming the setback of being ruled scholastically ineligible last year. Williams saw the light after running 21.1 in the 1962 Alameda County Athletic League meet and then falling victim to the same fate.

Williams is wanting to again disappoint his parents or the team he has supported regularly for the last two years. He ran two-hour endurance and 1000 yard workouts on the Berkeley campus and then went home to hit the books.

Both paid off, as his 9.4, 20.5 and 23.5 track and all A's and B's except for one C school marks will attest.

Williams definitely plans to attend college and wants to become a probation officer. Although he hasn't any definite college preference at present, his brothers Jackie and Norris, both former Yellowjacket track standouts, are attending Sacramento State.

But first, before he accepts any track scholarships, there's that big meet this weekend at Edwards Stadium.

Here's hoping Williams, the greatest prep one-man gang to hit this area in a long time, makes it to the top step on the victory stand at least once.

It was close, but as usual the Division I contingent upheld the Eastbay's honor in the NCS meet last Saturday.

What with Castro Valley's Gary Kerr being elevated to fifth in the high hurdles after a review of the films by meet director Bob Stuart of Ells, our guys outscored the other two divisions, 127½-119½, and out-qualified them for the state meet, 22-17.

The Eastbay athletes swept the first three places in both hurdle races, the high jump and relay, and finished one-two in the 100 and broad jump.

Oakland Athletic League physical education director Dave Snyder thinks Calvin Criddle, the McClymonds sophomore who high jumped 6-6 Saturday, "will clear 6-9 or 6-10" before he graduates.
