Over the bar at six feet

Palo Alto's high jumper Mark Daley clears the bar at six feet in the Palo Alto city track meet at Gunn High School Thursday. Daley is 6-7 himself.

Title toss-up in Palo Alto city track meet

There will be no definite favorite when Gunn, Palo Alto and Cubberley high schools take the field for the Palo Alto city track and field championships at Gunn High School Thursday at 3 p.m.

All three teams have talented performers. Gunn may take a few more firsts but Cubberley and Palo Alto are teams with a little more depth.

City track meet

Cougars run to crown

Cubberley High School "loaded up" with runners in most events and came out with a slim victory Tuesday in one of the closest Palo Alto city track and field meets on record.

The Cougars totaled 57 points to edge Palo Alto with 56; Gunn was a ways back at 46.

One big race for Cubberley was the 220 where the Cougars came in 1-2-3. It was a case of taking advantage of the situation and Cubberley came through with the best efforts.

The meet would have been a

little closer if Gunn's Robert Piatt was healthy.

The Titan middle-distance ace was seriously hampered with a case of asthma and finished well back (fourth) with 57.5 in the 440 where he had run 50.5. He didn't even compete in the 880 where he was figured to finish first or second.

In the 220, Palo Alto's Peter Partridge did not run, clearing the way for a Cubberley 1-2-3 sweep. Bill Springhorn won both the 220 and 100 for Cubberley.

Gunn's Keith Peters turned in

a school record and meet record in the low hurdles with a fine 19.5 clocking. Gunn's Bob Dorenbush set a meet record in the pole vault with a 13-0 effort.

The results:
