# Quinet to Ace leads jump event

By BRUCE MEADOWS

BERKELEY—Homestead High School's Phil Quinet led a field of 20 Central Coast Section qualifiers into today's finals in the 50th State Track and Field Championships at University of California's Edwards Stadium.

Quinet leaped 24-5 in the long jump to carry the top mark in that event into today's finals. The competitive Mustang fouled on his first jump then came up with his 24-5 mark before passing on his last two jumps.

The Homestead athlete has done 25-2 this year and should receive the stiffest competition from Heulon Hewitt of Merced, who went 23-7 Friday but has a 25-10 mark pending.

Centennial High of Compton appeared the team to beat going into the finals. Field events were slated to start at 12:30 p.m. and running events at 2 p.m. The last event was set to start about 4 p.m.

## GARRISON WINS

Centennial's iron man, Edsel Garrison, won qualifying heats in the 100 and 440 and anchored Centennial's mile relay team to the day's best time of 3:15.8, tying a California record.

A crowd estimated at 5-6,000 watched the trials under near-perfect sunny conditions. Only a slight headwind marred the otherwise perfect day.

State Meet veteran Brad Lyman qualified in both sprints. The Los Altos standout ran a 9.9 100 and a 22.0 220 to make his way into the finals.

Los Altos' mile relay team ran its best race of the year with a 3:18.7 clocking, but a poor baton-pass between the No. 2 and No. 3 runners proved costly to the Knights. They finished fourth in their heat.

Knight sophomore Rick Brown, who showed some gutty running in moving up two places on his third leg of the mile relay, qualified in the 880 with a 1:54.5 clocking, fourth best among the nine qualifiers.

Carlmont's Jim Penrose, Homestead's Ralph Show and Belmont's Jon Friestadt all qualified in the discus. Penrose,

Whitfield, a sleek junior, finished eighth in his heats of both the 120 high hurdles and the 180 lows.

On both occasions, Whitfield came off the blocks poorly, and recorded times of 15.1 and 19.8, both of which is well off his season's best.

Lydon also a junior, was among the 15 pole vaulters of an original field of 27 who failed to make the qualifying mark.

The field was cut to 15 vaulters after the 13-foot mark, which Lydon cleared, but the Bearcat missed on three attempts at the 13-6 and now can only look forward to another chance next year.

a State Meet veteran, was second with a 178-5 toss; Show was ninth with a 165-0 effort and Friestadt took 11th with a 162-10 mark.

Rory Kenward of San Marcos of Santa Barbara threw the discus 182-0 to lead qualifiers.

## MAHON QUALIFIES

CCS runners did well in the mile where Lynbrook's Manny Mahon, fourth in the State Meet last year, qualified with a 4:14.0 time, Willow Glen's Jamie Baldwin had a 4:17.8 and St. Ignatius' Klaus Hoffmann was clocked in 4:18.1.

Two CCS lads qualified in the 440 with Frank Hughes of Cupertino taking third in his heat with a 49.0 lap and Sequoia's Darryl White coming in with a 49.5.

Tony Roseland of Pioneer of San Jose was one of 15 over the bar at 13-6 in the pole vault. He was the only CCS vaulter to make the cut.

Though he failed to qualify, Menlo-Atherton's Bill Hatcher turned in a top effort. He was outclassed in the 100 where he ran 10.1, but looked good in the 220 where he barely missed qualifying. His 22.2 mark was the same as the No. 2 and 3 men but he was edged at the tape and finished fourth.

Hatcher's strong finish netted the Bear 440 relay team a fourth in its heat in M-A's best time of 42.6. Homestead's 440 team was a distant seventh despite a fine second leg by Quinet.

The only event that wasn't run Friday was the two mile where Burlingame's Steve Sofos, Carlmont's Chris Carey and Mills' Arvid Kretz represent the CCS.

## SPECIAL RACES

Special exhibition events today included a triple jump, a 330 intermediate hurdles race, a 2000-meter steeplechase and a sprint-medley relay.

The last CCS discus winner was Bruce Naglee of Bellarmine in 1965. Penrose and Show have both been over 180 and could come up with a winning toss.

In the long jump, Quinet stood a chance of becoming the first CCS athlete to ever capture a gold medal in the event.

Mike Ryan was the last CCS runner to capture the mile, turning the trick in 1964 for Santa Clara with a 4:11.2 time.

## PREPS

### South Ace Threat for Triple Title

By FRANK LEE  
Gazette Sports Writer

Serving notice he may make the 50th Annual State Prep Track Championships his personal plaything, Centennial of Compton's Edesel Garrison yesterday finished a winner in three events in three-hour-plus competition in the trials at Edwards Stadium.

The Centennial flash and a bevy of other prep aces will go for broke in today's finals, beginning on the Edwards facilities at 12:30—and running through the mile relay gun, signaling the last event at 4:05.

Willie White's Berkeley quartet, a bit up-tight in the third heat of the trials, came home second in 3:20.5, enough to get them into the last act today although they'll need a far better showing to win any award.

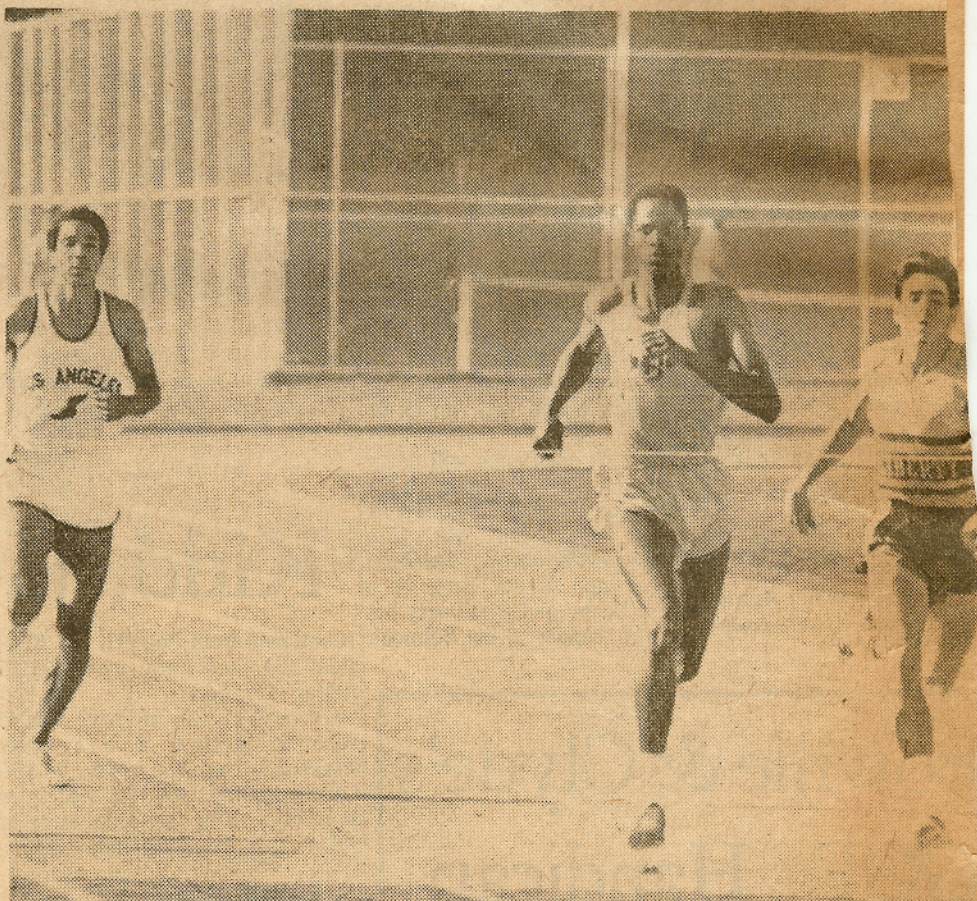

"No good—they just went to sleep out there," answered White, assessing the performance of Ken Frank, Wayne Brown, Kermit Bayless and James Gordon. Frank, running under the gun for only his second time, didn't get loose—but Brown, Bayless and Gordon got the job done, the hard way.

A flickering finish by Terry Danshy caught Gordon and gave first place in the heat to Santa Monica. Other heat winners were Centennial (3:15.8) and L.A. Fremont (3:18.0), with Garrison's punch at the end making the Centennial outfit an awesome favorite entering today's finals.

Energetic Edesel won the third heat of the century in 9.8 and his pet, the 440 dash, in 47.5, the same time he posted in his sectional and better than anyone else in the meet has done. It is the 100 that could keep him from becoming the fifth prep to cop a triple crown, the latest, Jerry Proctor at San Diego last year.

South High in Bakersfield's Ken Jones won his heat in 9.7 to edge Willie Deckard, who went in with the best qualifying mark of 9.6 and could still be the guy to beat. El Cerrito's Billy Walker finished seventh in his heat.

Castlemont's Billie (The) Kidd won his heat of the century in 9.8, flaming the finish to

**BATTLING BAYLESS** — Berkeley's Kermit Bayless (middle) battled to the tape in the 440 dash trials, but finished an unqualifying fourth in 49.6 — missing out

on today's finals by one tenth of a second. Ronnie Jackson (L.A.) and Carlos Mattos (Liberty) were worse off than Bayless, seventh and fifth, respectively.

**BHS Goal: 3:15.0---**

## White: 'Went to Sleep'

By STEVE KENNEDY  
Gazette Sports Writer

"We'll have to run 3:15 flat or 3:15.1 to win," said Berkeley High coach Willie White after his mile relay team had qualified for the state finals yesterday with a time of 3:20.5 at Cal's Edwards Stadium.

"I'm going to have some little talks with them," declared

White. "They're going to do better tomorrow.

"Did you see what Centennial did?" exclaimed White. The Compton foursome of Jack Hilgreth, Bob McCall, Vince Buford and Edesel Garrison ran 3:15.8 for the best qualifying mark of the day.

White indicated that the first two BHS runners, Ken Frank and Wayne Brown "tightened

up a little." But after thinking for a second he retorted, "they tightened up a lot."

After the first lap, the Jackets were last and at the conclusion of the second circuit they were eighth out of nine teams.

But Kermit Bayless ran a 49.8 third lap as Berkeley took the lead. James Gordon ran an excellent 48.9 anchor lap, but lost first place just before the tape to Santa Monica which won in 3:20.1.

"Frank was working hard," added White. Brown said "after that first lap, we were just trying to qualify. Kenny not used to running first. This is only the second time that he has led off." Brown estimated the Berkeley quartet would have to run 3:14 to defeat Centennial.

The Jackets' mile relay team will be the only local representative in today's finals. Several competitors from BHS and El Cerrito missed by the narrowest sought-after finals.

Take the plight of the Gauchos' Bill Walker. He ran 10.0 in his heat in the 100 and finished seventh. The

## Show qualifies in discus

Homestead High School's Ralph Show tossed the discus 165-10 to place ninth in the qualifying trials in the State Track and Field Cham-

pionships at Edwards Stadium in Berkeley Friday afternoon. Show has thrown the discus over 180 feet.
