

THE FOURTH ANNUAL ALL NORTHERN CALIFORNIA
TRACK & FIELD TEAM - June 10, 1969

The Northern California Track Official's Association, presents its fourth annual All Northern California Team. The Central Section was not considered in our selections. As in the past, the main criteria for selecting the team was performance in the State Meet Championships. Section place, and outstanding marks were also a factor. Performance in the State Meet, was by far the paramount factor in the selection of this Honor Team.
