CHAMPIONSHIPS

May 31, 1969

On behalf of Carlmont High School, its administration, faculty, and student body, and the Sequoia Union High School District, I would like to take this opportunity to welcome the many athletes, their coaches, and track fans to the Central Coast Section C.I.F. Track and Field Championships.

This meet is the top interscholastic track meet of the year and brings representatives from most of the schools in the Central Coast Section. The boys that will take part in this meet are the best in their respective events, and with their fine coaching and their wonderful competitive spirit, I am sure the loyal track fans are in for an enjoyable day of top performances.

The first three placers in each of the varsity events will qualify for the California State Championships to be held in Los Angeles next weekend.

It is with great pleasure that I dedicate this meet, the Central Coast Section of the California Interscholastic Federation, Track and Field Championships, not only to the outstanding athletes gathered here today, but to the many thousands of boys who annually participate in what is considered the greatest international sport.

Sincerely,

Andy Darby
Meet Director
Carmont High School
