# Maxwell up 6-9

By ALAN McALLASTER

No-nonsense Sam Maxwell high jumped 6 feet 9 inches and a quartet of his teammates zipped to a 42.3 quarter-mile relay as classy Castlemont claimed its eighth consecutive title in the 50th Oakland Athletic League track and field championships yesterday.

Junior Jim Beaver of Skyline and Fremont's Monti Stratton joined Maxwell as record breakers, the former holding off Albert Baker of the Knights in a 1:55-flat half mile and the latter pole vaulting 13-7½ at chilly, windy Skyline High.

In a race which didn't ap-

proach record time but nevertheless was the fastest this season in the Eastbay, Tiger junior Audie Murphy led a fast 220 field with a 21.7 clocking.

Tied with rival Tech after

Angeles, had the high jump crossbar moved right up to 6-9.

Although the bar jiggled when he brushed it with his heel, the Knight senior made it on his first attempt and be-

nerup Charles Gibson became the Eastbay's third best ever 440 team with their four-tenths second triumph over Fremont.

The Beaver-Baker 880 duel was a thriller from the time the Titan began to close at the start of the gun lap.

Beaver took the lead for the first time on the curve, and the pair battled head-and-head in the backstretch with Baker regaining a slight edge. Beaver took command again in the final turn, but Baker wasn't through yet.

Trailing by a stride, the Knight senior made a gallant bid to make up the deficit in the stretch and might have done it had not Beaver lunged into the tape with what seemed his last ounce of strength.

Both runners were timed in 1:55, the second fastest this season for the Alameda County-Contra Costa County area. It was a 2.4-second improvement for Beaver and broke the former standard by 1.9 seconds.

Stratton, defending the vault title, trailed Skyline's Ed Otter on misses until making the record height. The Titan had not failed at any previous height.

Vaulting behind Otter, Stratton got over on his final attempt to better the old mark by 3½ inches.

Tech Junior Marvin Jefferson lowered his 440 time by three-tenths in 49.2; Glenn Hewitt, sophomore cousin of 1968 state champion Heulon Hewitt of Merced, won the long jump on his only fair attempt, and Castlemont soph Ken Farrell took the two-mile.

Wayne Dillard of the Knights repeated in both hurdle races, and the next three finishers behind Murphy in the 220 bettered their previous best times.

## TEEN Sports!

8-E Oakland Tribune Sat., May 24, 1969

the first event and trailing by four points after five, Castlemont placed first in eight events and won seven on its three-man aggregate to make Harris Flowers a winner in his first year as head coach.

The Knights totaled 492. Unable to come close to matching the defending champs' depth in the mile, two-mile and high jump, Tech finished second 68½ points behind. Fremont was another 31 points back in third.

Maxwell, after clearing 6-4 to clinch first place and a berth in the state high school championships June 6-7 in Los

gan dancing around the field with joy.

Not only did Maxwell break the previous OAL record by a quarter of an inch, he moved into fourth place on The Tribune's all-time list for Eastbay prep high jumpers.

At first declaring he was "saving it for the state" meet and then admitting his leg was bothering him, Maxwell declined trying to go higher. As it was, he had no misses at any height.

# Tech facing Tough task

By ALAN McALLASTER

Milton Vickers is back in competition, but even this big plus doesn't appear enough for Tech to claim its first Oakland Athletic League track and field championship in 15 years.

Barring a complete breakdown in the two-mile, long jump, shot put and the all-

for the six runners in each event, and B (7-12) divisions than Tech, and has no runners in the C class.

Skyline sprinter Gary Keyes also returned after an injury layoff, but managed only a B berth in the 100 and did not run the 220.

The best heat marks were by Audie Murphy of Fremont and Castlemont's Charles Gibson, who clocked 22-flat and 22.2 in the furlong, and a 49.7 quarter mile by Tech's Marvin Jefferson, only two-tenths of a second off his best.

## HOW THEY QUALIFIED

	A	B	C
Castlemont .....	13	8	0
Technical .....	12	7	2
Fremont .....	7	12	2
Skyline .....	5	4	12
McClymonds .....	4	4	9
Oakland .....	1	7	9

important relays, it looks as though Castlemont is headed for its eighth consecutive crown in the 2 p.m. finals Friday at Skyline High.

Even with Vickers and hurdler Charles Hayes—who made the highs after a special runoff—qualifying in two Class A races each during trials for the 50th City Meet yesterday at the hilltop school, the Bulldogs were unable to match the Knights' totals.

Castlemont has one more berth in both the A, which will be worth from 13 to 18 points
