REGION II TRACK AND FIELD MEET

1970

Welcome to this year's Region II meet, the qualifying competition to determine the representatives to the Central Coast Section Track and Field meet. For the first time, the Santa Clara Valley Athletic League and the South Peninsula Athletic League combine to send representatives on; the SCVAL sends seven competitors, while the SPAL sends 5. The top five competitors today will then advance and vie for the 1970 CCS Championship.

Athletes and spectators alike will witness track and field at its finest as both leagues send superlative competitors who are highly ranked in Northern California as well as in the state and nation.

In the discus, Los Altos' Chris Adams has thrown 201' - the best in the country this year. Scott Hovey's (Homestead) 184'1" and the many 170' throws of Waller (Homestead), Tarabonovic (Fremont), Bowen (Sunnyvale), and Brown (Cupertino) make today the finest discus competition in the entire country.

The 120 high hurdles promises to be a highly competitive race between the two leagues. The SCVAL will be represented by two former leaders in this event: Miller of Homestead (14.8) and Vic Brooks of Los Altos (14.6). The SPAL will counter with the Gunn arsenal of Eshleman, the current standard setter and league champion at 14.5 and Bagshaw at 14.6. Additional talent will come from Davis of San Carlos (14.8)

The 880 will see the dynamic duo of Brown and Davis of Los Altos push themselves to better and better times. At the league finals, Rick Brown won in 1:51.7 for a new SCVAL record and Larry Davis finished second in 1:53.3. Verrette of Awalt with 1:54.1 and Gaesser of Homestead with a 155.5 will supply additional competition.

The mile shapes up to be one of the most competitive races with seven men within striking distance. The edge goes to Awalt's junior Dave Chamness with his 4:15.7 league victory. Lawson of San Carlos (4:25) and Schloss of Menlo-Atherton (4:30) loom as the biggest threats. Watch, also, the

Frosh-Soph mile as three talented youngsters battle to the line. Top time is Chris Berka of Los Altos (4:27), but right on his heels will be Miller of Carlmont (4:28.8) and Chamness of Awalt (4:31)

The two mile appears to be a two man race between Templeman of Carlmont (9:33) and Randy Stahl of Homestead (9:25.6). Stahl's teammates Marshall (9:39.9) and Remark (9:46.7), and Wells of Woodside (9:43) will make things interesting.

Prepare for an exciting 440 while six men having been below 50 seconds vie for the five qualifying spots. Odds on favorite will be Los Altos' Rick Brown who ran 47.3 last week (best time in the state). Battling for the other spots will be Jim Andrew (Los Altos), John Kessel (Awalt) and Larry Davis (Los Altos) all of whom ran 48.6 last week. Other strong competitors will be Vanderhurst of Lynbrook, Paul of Gunn, and Shirley of Ravenswood.

In the 180 low hurdles, former state meet competitor Julian Lucas (Gunn) looms as the man to beat. His 18.9 clocking in the SPAL Finals ranks him as the best in Northern California. Most of his competition will come from his own league.

Other competitors to watch should be Cupertino's premiere sprinter, Jeff Fowler (9.8 in the 100 and 21.9 in the 220): Bosch and May, Sequoia's two 6'6" high jumpers: Olson and Ciglia, the 14' pole vaulters from Homestead: and Cupertino's Craig Conway in the long jump and the triple jump.

Once again, welcome to the Region II meet. I know you will enjoy these fine athletes and the tremendous competition. May you all root for a winner...
