No 880 for Pads' Ross?

LOS ALTOS — Serra High didn't win the West Catholic Athletic League track meet Friday night at Foothill College, but whenever a record was broken, it was a Serra athlete who breasted the tape first.

Serra's Stan Ross, one of the top milers in the nation, started things off for the Padres by running a meet record 1:53.9 in the half mile. It was Ross' best performance by a half-second.

Ross has by far the best half mile time in the Central Coast Section's Region I, but Ross reportedly does not plan to run the half in next Saturday morning's Region I meet at College of San Mateo. He will instead concentrate on the mile, his specialty.

In that specialty Friday night he won in 4:17.6, another meet record, although well off his season best.

Serra's Mike LaForge won the low hurdles in a meet record 39.0, equalling the time he had recorded in trials.

Serra also won the mile relay, in a less spectacular time. The Padres accounted for all the meet records set Friday night. They also earned 13 slots in Region I competition.
