Hammer throw finals — 1, Richard Olsen, Southern Methodist 237-0 2, Robert Wair, South-

If Friday's preliminaries were any indication, today's 63rd California high school track and field championships at Cerritos College could be one of the best State meets ever—if the wind dies down.

One national and three State records were set in qualifying, but the wind robbed Berkeley sprinter Kenny Robinson of a State record in the 100-meter dash, and Muir's Ed Tave of the co-national lead in the long jump.

Walter Murray of Berkeley ran 35.79 in his heat of the 300-meter low hurdles to break the national hand-timed record of 35.6, set by Darrin Hill of Middletown, Ohio, in 1978.

"I didn't even know that I'd broken the national record until someone came over and told me 10 minutes after the race," Murray said. "It just didn't seem that fast. I was just going out to qualify, but the guy in Lane 5 (James Knowles of Blair, 36.09) was really pushing me and I haven't been pushed this year."

Frazier Sets Triple Jump Record

Ken Frazier of San Francisco's Mission High went 52-4 $\frac{3}{4}$ in the triple jump to break Dokie Williams' State record of 51-0 $\frac{1}{2}$, set in 1977. The national record is 52-6 $\frac{1}{4}$ set by David Tucker of Fresno's San Joaquin Memorial High in 1970. Frazier is the national leader in the long jump at 25-3 but failed to qualify in the event for the State meet. He said he was trying to make up for it by winning the triple jump.

Dorsey's 400-meter relay team of Kirk Williams, Gerald Boles, Fred Williams and Kelvin Jackson ran 40.92 in their heat to break the State record of 41.0 set by San Francisco Wilson in 1973. Jackson outkicked Berkeley anchor man Murray down the stretch to give Dorsey the upset win. Jackson, the City sprint champ, also won his 100-meter heat in a wind-aided 10.45.

Sherifa Sanders of Berkeley ran 13.71 in the girls 110-meter low hurdles, the first running event of the meet, to break the State record of 13.83, set by Kris Costello of Lynbrook in 1978.

Howard Hawkins' year-old State 100-meter record of 10.55 was surpassed by Robinson, who ran a 10.24 to win his heat. But the wind reading was 3.02 meters per second—the limit is 2.0 m.p.s.

Junior Kevin Willhite of Cordova High in Rancho Cordova, the national leader at 200 meters, ran 20.81 in beating Robinson (21.03) in a 200 heat. It's the fastest 200 time in the nation this year, surpassing Willhite's week-old mark of 21.01. The State record is 20.7, set by Mel Gray of Montgomery High in Santa Rose in 1967. Willhite also won his 100-meter heat in a wind-aided 10.50.

Motivated by Robinson

"I didn't plan to go all out today because it's just the qualifying," Willhite said. "But then I looked at the heat sheet and saw that I was in the same heat with Robinson. Running against Robinson psyched me up. My chances are better in the 200 than the 100 because I'm a lot stronger in the longer race."

Robinson, the defending State champ at 200 meters, accelerated off the turn but couldn't catch Willhite.

"I was going to go after him but I didn't run it all the way through," Robinson said. "Tomorrow, I'll run all the way through."

Robinson and Murray are the keys to Berkeley's bid to defend its state boys track title. They'll run four events apiece in today's finals.

Tave, the key man in Muir's bid to unseat Berkeley, got off a wind-aided long jump of 25-3, just 1 $\frac{1}{2}$ inches off the State record, set by Muir's Jerry Proctor in 1967. It would have made him the co-national leader with Frazier if it hadn't been wind-aided.

Berkeley qualified in eight events, with Muir qualifying in seven.

Berkeley girls qualified in 11 events, while rival Kennedy of Granada Hills qualified in five.

The Howard Sisters of Kennedy, Denean and Tina, who along with sister Sherri turned the State meet into a family affair last year by setting a national record in the 400 and 1,600 relay, led the Golden Cougars again.

Denean had the fastest time in the 200 (23.74). Sherri ran 23.19 last year to set the national record. Denean ran 11.64 in the 100, the day's second best time behind Berkeley's Sharon Ware (11.50). Ware is the defending champion in the event.

Kennedy's 400-meter relay team of Kim Grant, Tina Howard, Annette Johnson and Denean Howard ran 46.70. Kennedy set the national record of 45.18 last year.

State Meet Notes

Eddie Davis of Compton had the day's best time in the 800 (1:52.26), with Scott Cox of Long Beach Wilson qualifying in 1:52.50 and Berkeley's Pete Richardson running 1:52.89 . . . Berkeley's boys 1,600-relay team had the day's best time (3:12.10)—and they were running eased up. The national record is 3:10.37, set by Central last year . . . Shotputter Natalie Kaaiawhia of Fullerton, national record-holder at 52-4 $\frac{1}{2}$, took just one throw, qualifying at 48-7 $\frac{1}{2}$. . . Pasadena's 400-meter relay team, the CIF Southern Section, failed to qualify when Davis Dancer false-started . . . Today's finals begin with the field events. Today's finals begin at 4:30 p.m. The first running event is at 6.
