Dramatic win for Leland runner

Sikiric sets Hampton-Phillips record in 1,600

BY DARREN SABEDRA
Mercury News Staff Writer

Perhaps it was ironic that Leland's Daniel Sikiric and Livermore's Micheil Jones were left alone to catch their breath and exchange compliments Saturday. Moments earlier, the two runners had staged one of the most exciting races at the sixth Hampton-Phillips Track and Field Classic, with Sikiric passing Jones at the last possible moment to win the boys 1,600-meter race at San Jose City College.

Sikiric finished in a meet-record 4 minutes, 14.66 seconds. Jones' time was 4:14.85.

"I thought he had me," said Sikiric, the Division II state cross-country champion.

Jones passed Sikiric on Lap 2 and held the lead until the two entered the third turn on the final lap. The runners then ran side by side until Jones, who took fifth in the event at the state meet last season, began to pull away with about 70 meters remaining. But just when it seemed Jones would win, Sikiric found a burst of energy and edged Jones by an eyelash.

"I started to tighten up with

about 20 feet left," Jones said. "And that was the difference."

Sikiric said, "I was just trying to keep it strong and see whether I could catch him."

The race was expected to be a showcase event featuring Michael Stember, the Jesuit of Carmichael standout who won the 1,600 state title the past two seasons. But Stember, who is recovering from a knee injury he sustained last month at the National Scholastic Indoor meet in Boston, didn't show. Stember's top time last season was 4:04, a national best.

"It'd be nice if he were here," said Sikiric, who could meet Stember on Saturday at the Bay Area Top 8 meet at Logan High in Union City. "But he does his own thing. He's getting ready for himself. He's a heck of a runner."

Sikiric's time Saturday was among the best in the nation this season. Kell Giffin of Bainbridge Island, Wash., is the national leader, having run a 4:12.51 at the Arcadia Invitational last weekend. Sikiric ran the final two laps Saturday in 2:04.60.

"I just tried to push it," he said. Overall, nine meet records were set Saturday, including one by

Silver Creek's Laneisha McPherson in the girls 800. McPherson, who also won the 1,600, surpassed the mark she established at last season's meet, recording a time of 2:20.33. McPherson is the reigning Central Coast Section champion in the 800 and 1,600, but she has yet to win a medal at the state meet.

"This year I'm going to get one," McPherson said. "This is my senior year. I've went to state since my freshman year, but something's always happened. I've had injuries."

Moments after McPherson broke the meet record in the 800, Silver Creek's Nguyen Vong eclipsed meet and school marks in the boys pole vault. Vong vaulted 15 feet, 3 inches, which surpassed the school record by nine inches and the meet record by three inches. Vong missed on three attempts at 15-6, though he was close to clearing the height on his final attempt.

"I can't believe I hit 15-3," Vong said.

Joe Naivalu of Fremont won the 400 intermediate hurdles in 54.76 seconds and set a meet record in the 100 high hurdles in
