

Coaches:

We want to thank you & your athletes for making the 20th Annual West Valley Relays a success. The excellent competition produced new meet records and a lot of section leading times and marks. Everyone seemed to enjoy the new format so we will continue with the Frosh/Soph meet on Friday and the Varsity, Girls and Open Invitational events on Saturday. We certainly welcome any and all suggestions you might have for improving the meet in any way.

Enclosed you will find complete meet results, meet records and a copy of the media coverage. Again thanks for participating and we look forward to another two great days of track & field next year.

Four gold medals for sprinter

Del Mar's Napoleon stars at West Valley

BY SCOTT M. JOHNSON
Special to the Mercury News

Del Mar sprinter Curtis Napoleon capped a successful day at the West Valley Relays on Saturday by anchoring the Dons' 4x400 relay team to a first-place finish.

The victory gave Napoleon his fourth gold medal of the day.

HIGH SCHOOL TRACK

"The relay's the best part of the sport,"

Napoleon said after anchoring Del Mar to a victory in 3 minutes, 27.67 seconds, almost two seconds ahead of second-place Bellarmine. "We go to the meets together and practice together. Then we win as a team."

Napoleon won the boys 100- and 200-meter dashes and anchored Del Mar's relay-winning teams in the 4x100 and 4x400 at the event, which included more

than 1,000 high school athletes. Napoleon had personal records in the 100 and 200, and Del Mar ran its best times of the season in both relays he anchored.

In running a Central Coast Section-best 43.13-second 4x100 relay, Del Mar had plenty of motivation. In addition to facing Skyline, last season's state champion in the event, Del Mar's relay team was trying to bounce back from a disappointing showing at last weekend's Stanford Invitational, where the Dons did not finish the race because of a botched baton pass.

Skyline's relay team was dented by injuries Saturday, but Napoleon and teammates Jimmy Wiggins, Coby Gillespie and Tony Johnson still wanted to make a statement.

"When I came in and saw (Skyline), it got me shaking," Napoleon said. "I started thinking we weren't going to take second place. Then when I saw (Wiggins) come around the turn (on the third leg of the relay), I had no

doubt we would win."

The Del Mar boys track team took second place at the event, 14½ points behind Bellarmine. The Bells were led by their first-place 4x1,600 relay team, which won in 18:31.76, and Leroy Jordan, who set a personal-best mark of 22.21 — .33 seconds behind Napoleon — in the 200.

St. Ignatius won the girls title, by 11½ points over second-place Independence, with 37½ points.

Tisha Ponder of Del Mar (100 dash and 100 low hurdles) and Mount Pleasant's Mary Lou Badillo (pole vault and triple jump) were the only double winners in the girls events.

Another top performance was turned in by Mountain View's John Bull, who high jumped 6 feet, 8 inches and won the 100 high hurdles in 15.01 seconds.

Bull's high jump set a personal record and is the highest jump in the CCS this season.
