### Welcome From the Principal

On behalf of all of us in the Arcadia High School Community, it is my pleasure to welcome you to the 32nd Annual Arcadia Invitational Track Meet. What a great day we have in store for you to showcase the talents of hundreds of deserving high school athletes. With the San Gabriel Mountains as our backdrop, we can think of no finer setting for the best in high school track and field to come together and show what they can do when given the chance. We know we are in for a treat when these great athletes take to the track.

I would also like to thank all of those who work so feverishly on pulling together the day's activities. The Invitational Organizing Committee puts in hundreds of unpaid hours to pull together this extraordinary event to help make it what it is; the finest high school track and field meet in the country. If you happen to see a committee member throughout the day, please show your appreciation.

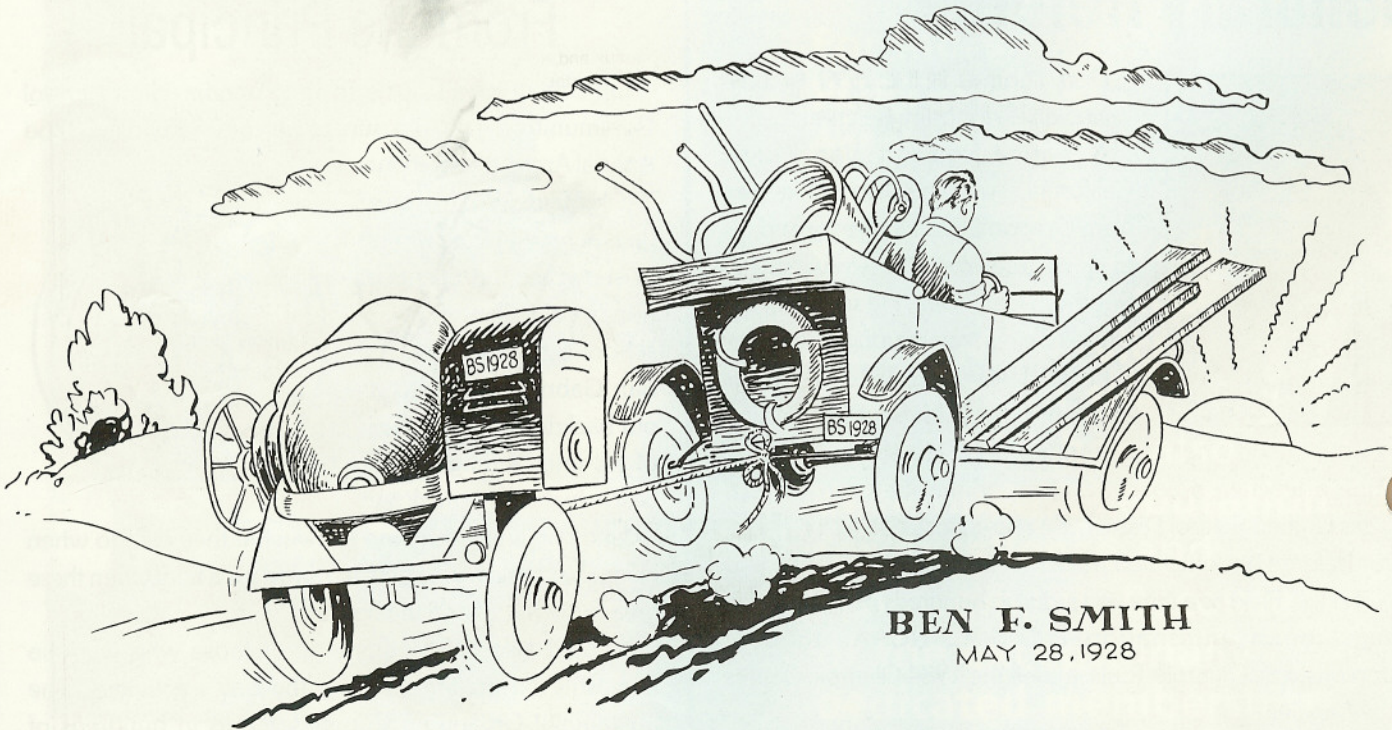

Finally, to the student-athletes. You have done what it takes both in the classroom and on the track to qualify for this meet. It demonstrates an extremely high degree of commitment on your part to be your best. Your parents and coaches have been there to encourage you along the way, but you are the ones this invitational is built for so enjoy your events and do your best. We are quite sure that what we see out on the track today is everything you have to give. You are what makes this day all worthwhile. We wish you the best of luck.

Sincerely,  
Martin J. Plourde,  
Principal

# Track Talent Blossoms in Arcadia

## *Sprinters Go To the Head of Class in Early Season Showdowns*

Continuing a tradition that highlights each spring prep athletic season, the Thirty-Second Annual Arcadia High School Invitational Track and Field Meet will be held April 10th, and will mark the beginning of "National High School Track and Field" outdoor action for the year. As is the tradition each year, there will be a gathering of the nation's best from over fifteen states on the Arcadia High School Track, with Field Events starting at 5:00 p.m. and Running Events at 6:00 p.m. An absolute ton of super athletes and relay squads will take part.

Headling the meet will be a great group of sprinters who will gather to sort out national bragging rights early on this outdoor season. On the Boys' side Casey Combest (Owensboro, Ky), hotter than a pistol off a National High School Indoor Record 60 meters (6.57), will battle Darrell Rideaux (Poly, Long Beach), the nation's #2 prep 100m dasher (10.36) outdoors last year. Interestingly, in mid-March Combest was the winner of the 60m in the Nike Indoor Class in Columbus, Ohio in his national-record time while Rideaux was the winner over the same distance at the National Scholastic Indoor in Boston. They will head to Arcadia to sort out the "true national championship."

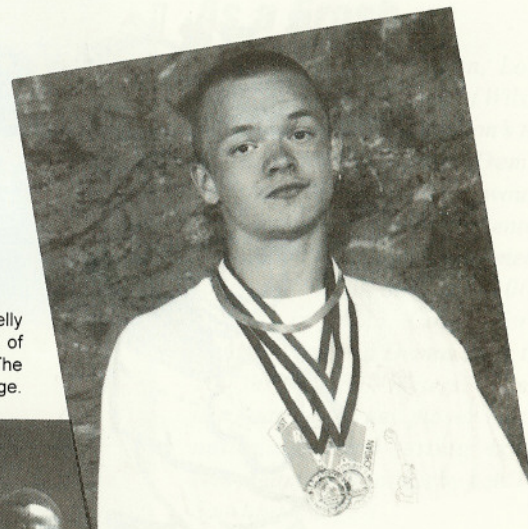

Long Beach Poly's other sprint star, Kareem Kelly, the nation's top returning 200m dasher (20.76) will lead a top group of 200 meter runners.

On the Girls' side, Southern California's great recent sprint tradition will be blessed with presence of the nation's top duo of dashers in Erica Whipple (Suncoast, Riviera Beach, Fl) (11.51 100m 23.29 200m) and Alexis Joyce (Washington, Denver, Co) (11.52 and 23.63). They are the two top sprinters in the country, with Nakiya Johnson (Ayala, Chino Hills), World Junior Silver Medalist over 400 meters (52.09) moving down to battle them over 200 meters. All other events feature super groups! Jill Camarena (Woodland) just took over the national lead for this year in the Shot Put (48-07) from Karen Freberg (Arroyo Grande) (48-05), with the top returner from last season, Rebekah Green (Girls, Columbus, Oh) 48-05.75 also in the field! April Burton (Bakersfield) returns as the top Girl Discus thrower in the nation off her 171-04 best from last spring, with Cari Soong (North, Riverside) leading the country this year so far with a 156-00 best.

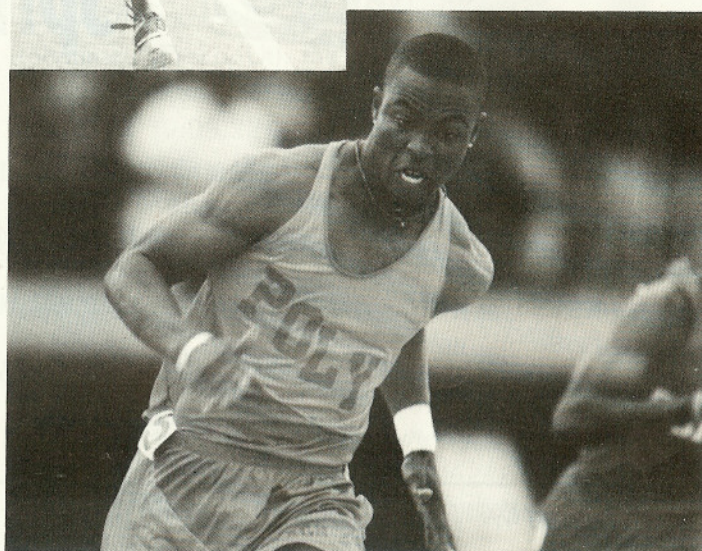

The Boys' Shot Put has six sixty-footers, with Danny Ames (El Capitan, Lakeside) the national prep indoor leader at 63-03.75 and Doug Sells (Shelton, Wa) 62-09.5 (98) and 60-07.5 this spring. The Boys' Discus has seven throwers over 180 feet, with Chris MacKay (Hughson) 197-09 last year leading a fine group! Kathleen Donoghue (Rancho Bernardo, San Diego) has already

**SPRINT TALENT** - Great sprinters will be on display tonight. Casey Combest (above) of Owensboro, KY, is the nation's fastest dasher; hot off a great indoor season in which he took down Deworski Odom's national 60-meter record of 6.62 with a 6.57. Darrell Rideaux (left) of Poly, Long Beach, is the National Scholastic 60 meter champ and America's No. 2 100-meter runner at 10.36. Kareem Kelly (below) is the other half of Poly's "dynamite duo" and was 10.39 for 100m and 20.76 for 200m last spring.

le vaulted 12-06 to lead the nation outdoors in spring, with that jump making her the equal #6 U.S. Prep ever in the event! A great group backs her up!

Tracee Thomas (North, Riverside) had the farthest Long Jump ever by an American eighth grader last summer at 19-11, with Zakiya Harris (Perry, Masillon, Oh) 19- 10.25 last year as a frosh with the nation's #4 prep jump of the year. Other running events feature screeching fields!!! The Girls 400 will have the nation's #2 and #3 from a year ago, Monique Henderson (Morse, San Diego) 52.93 and Lashinda Demus (Wilson, Long Beach) 53.06, with 1999 National Yearly prep leader outdoors, Laloni Anderson (Westchester, LA) 54.89 a week ago. Daniel Mentu (Antelope Valley, Lancaster) 47.29 last summer leads a group of sub-49 dashers in the Boys one lap event. In the 800 Canadian National Junior Champion, Tanya Wright (Leduc) has run 2:07.53, with Indiana's Brett Tipton (Northrup, Ft. Wayne) the find of the American prep indoor season over two laps, heading the Boys' 400 at 1:51.77. Nebaskan Brian Turner (Millard North, Omaha)

## Fantastic As a Frosh

Lashinda Demus, Wilson, Long Beach, joined a long line of Wilson stars last year. As the nation's top ninth grade athlete, Demus dabbled in the hurdles and wound up as the top returnee in the entire country by running the 300-meter lows in 41.90 and the 100m hurdles in 14.23. Coach Terry Kennedy calls on Demus from the 200 through 800 meters. Demus last year was a key player on the national record setting 4x400 relay team. (Photo: Kirby Lee/The Sporting Image.)

**STANCE TALENT** - Brian Turner (Millard North, Omaha, NB) is one of the finest young American distance talents to come along in years. Turner raced 4:09.29 for a mile as a sophomore. A former Foot Locker national finalist in cross country, he has accomplished more at an early stage in high school than anyone since Jim Ryun.

raced one of U.S. Prep history's fastest ever soph miles last year at 4:09.29, with a group of eight others under 4:18 who hope to crash the 4:10 barrier here! Katie Hotchkiss (Mission San Jose, Fremont) was the star of the Girls' winter miling season, taking the Millrose national event and returning with a super 4:49.77 from last season. Spring Dawson (Vallejo 4:52.84) and Sara Gorton (Mountain Pointe, Phoenix, Az 4:55 in a recent dual meet) will lead the competition over four laps. Adam Tenforde (Hanford, Richland, Wa) leads the nation outdoors this season with a solo 9:15 for 3200 meters, with Josh Rohatinsky (Provo, Ut), the Foot Locker Western Regional champion (9:08.22), the nation's top 1998 soph. Eight others who have run under 9:20 for 3200 meters will be along in the race. Catherine Guiney (Middletown South, NJ) was 10:25 for two miles indoors this winter, with four others under 10:40 in the 3200 chasing the east coast star.

**SENIOR VAULTER** - Bridget Pearson (Hoover, Glendale) comes into the 1999 track season as one of the nation's top vaulters after an 11-06 best in 1998. (Kirby Lee/The Sporting Image.)

**400-Meter Sensation** - Nakiya Johnson (Ayala, Chino Hills), the World Junior Silver Medalist last summer over 400 meters, is the nation's top runner at that distance at 52.09. She rated as the nation's most improved prep athlete between the years 1997 and 1998, dropping her 400 meter time nearly 5 seconds! She will be part of a great 400 meters group here.

## 1999 Hall of Fame Inductees

**GREG DENBY** (Crenshaw HS, Los Angeles) Holder of the Meet Record in the High Jump in the Arcadia Invitational at a lofty 7'1" for nearly a decade after setting it in 1980, Greg is now a resident of Chino Hills. He has a vested interest into tonight's meet, with his daughter Nichole (Denby) one of the favorites in the Girls Hurdles!

**DAVE PORATH** (Atwater HS) Another with a Meet Record at Arcadia that lasted a while, Dave set the Discus mark at 204'11" in 1978, with Kamy Keshmiri finally taking down that meet standard with his still standing Interscholastic Record from the 1987 meet here. Dave is back in the sport as a coach at his old alma mater, with a fine junior thrower, Rusty Price, who is already over 60 feet during his junior year in the sport.

Rebekah Green (above) of Girls H.S., Columbus, Ohio, is the nation's top returning shot putter at 48-05.75. She also throws the discus 152-11. Green will compete against California's latest weight star, Karen Freberg, who has improved to 48-05 already this spring season! Meanwhile, Marcell Allmond (right) of St. Paul, Santa Fe Springs, may be the nation's top all-around prep athlete. The USC-bound Allmond is the defending state high hurdles champion (13.83) and has been over 6-10 in the high jump. He recently took the multi-events title at the Nike Indoor Classic in Columbus, Ohio.

**Latrice Borders** (Wilson, Long Beach) Another of the fine Wilson sprint crew who has carted home more National Record awards in the relays than probably any American prep ever! One of the fine sprinters in the nation with 11.88 and 23.87 bests from 1998, she will mark Arcadia as one of the stops on she and the other super Wilson senior group's "farewell tour" that includes a big Penn Relays stop later this month! Borders will head to Austin, Texas to continue the "Long Beach connection" started by Lakeisha Backus and Poly's Aminah Haddad for the Longhorns.

**Kim Gildersleeve** (Wilson, Long Beach) Another of Coach Terry Kennedy's stars. Kim has amazing range, running on a 46.30 400 meter relay group, with a fine 2:10.39 best over 800 meters. She anchored the Wilson National Record 4x400 relay of 3:36.32 in last year's State Meet, with the team (three seniors) goal this year to put the mark somewhere out in "never-never" land.

# Arcadia Invitational Features Furious Relay Action

## *Current Fields Builds on Tradition Established over the Years*

**(Continued From Page 7)**

Colorado Springs, Co) (13.64 nation's #2 returnee) faces six others with bests under 14.10 in the Boys' High Hurdles. Canadian Felicien Perdita (Pickering) was 13.47 outdoors last year in the Girls' 100 Meter High Hurdles. She will battle with Nichole Denby (North, Riverside), who this winter equalled the U.S. Prep record in the 60 Meter High Hurdles at 8.33 and was 13.86 last spring over the 100 meter barriers. The battle of Long Beach will move to the 300 meter hurdle distance on the Girls' side, with Lashinda Demus (Wilson 41.90) and Detra King (Poly 41.96) simply the two top returnees in the nation. James Smith (Cambelback, Phoenix, Az) (37.58) battles California's best, Terry Jenkins (Muir, Pasadena 37.93), and a good group in the Boys' 300 Meter Intermediates.

Relay action will cook!! The Long Beach Wilson Girls, with same the group that established a national record in the 4x400 relay last year (3:36.32), amazed with a Nation-leading 46.30 for the 4x100 relay a week ago! Long Beach Poly has targeted 40.0 this season on the Boys' side in the one lap baton event, with the Jackrabbits racing 41.3 in one meet last weekend, while Dorsey (LA) won another in Los Angeles in 41.60. The Meet's first running event will feature all of California's top baton squads. The Wilson Girls 4x400 group (all of whom return this spring) was named Athletes of the Meet last year at Arcadia for their 3:39.48 Meet Record. The Boys' four lap relay will close the

meet down in style, with the two teams looming as main combatants in the California State team title hunt, Long Beach Poly (3:16.3) and McClymonds (Oakland 3:15.57), battling for the physical and mental edge heading into May and June. In the High Jump, Canadian Jason Pilkington (Pickering) won the National Scholastic Indoor Meet a few weekends back, and has a 7-01.5 best. Julie Stevenson (Diamond Bar) has jumped 5-10 on the Girls' side, with a half a dozen over 5-08 in that field. Blake Powell (Highland, Gilbert, Az) leads the Boys' Pole Vault at 16-00, with Brandon Braunstein (Newark, Ca 15-10) and Chris Steddum (Klein Forest, Houston, Tx 15-09), as a dozen in the field have cleared 15-0. Vincent Ibia (Silver Creek, San Jose) has jumped 24-03 (LJ) and 49-02 (TJ) to lead the state, with Oliver Jackson (Royal, Simi Valley) 24-01 a number of fine jumps already this Spring.

Outside of those stars it should be a normal Arcadia event—super deep fields performing in front of a packed house with a stunning series of competitive events resulting in great winning efforts and great marks to back up the champions!

For more information on the meet, please contact (626) 445-7507. More complete meet information can be found at: <http://www.runningnetwork.com/ctrn> scan down the page to: "Prep Track & Field" click there for California prep track coverage, including Arcadia. or visit us at: <http://www.dvestat.com> for complete Arcadia meet information and "day of meet" results.

## Impressive Young Talent

*Two of California's top prep talents will compete at Arcadia. At left, Monique Henderson of Morse, San Diego, ran 52.93 as a freshman last year in the 400. Nichole Denby (JW North, Riverside) is the latest hurdle star for Coach Chalres Leathers. Denby ran 13.86 last year and is coming off a hot indoor season.*

This late afternoon event starts the Invitational Meet, with a deep history including Kamy Keshmiri's still standing National Federation record and Meet Record of 224-03, and last year's winning toss by Reedus Thurmond (209-00) that held up as the best toss in the nation for the year. Two hundred feet would not surprise at all from someone in this field. Lucais MacKay was 197-09 last year (he leads the state at 188-00 this spring) and is the nation's #2 returnee in the event. Danny Ames was 192-00 last year, with Sam Lightbody 186-06 already this season. Arizona's Jeremy Fulton has been out to 185-00, and Travis Pendleton 180-11. Georgia's Kipway Johnson has reported some great practice efforts prior to entry, with soph Nick Arrenius (over 180 feet already this year) the latest from that throwing family out of Utah. Tim Adrian 183-06 last year is the eighth thrower in the field over 180 feet!

Fine all-rounder Oliver Jackson has been 24-01 with a series of good meets down south. Kevin DeSouza is a fine Canadian jumper, with Dan Littlefield fourth at State with a 23-09.25 mark. Jonathon Lott, a 23-footer last year as a soph, is another Californian who will compete in the World Youth Championships (under 18) for the U.S. National team this coming summer off his Junior Olympic success last summer.

Great quality depth will compete here, with Mary Etter 157-07, Rebekah Green 152-1, Jill Camarena 150-04, and Oregon's Katie Tuttle 149-02 all marking themselves as among the top fifteen throwers in the entire nation. The competition for the five medals here will be very tough!

The Jackrabbits were 41.3 before a big trip to the Texas Relays last weekend. Dorsey won the big Pasadena Games showdown at 41.60 with McClymonds a solo 41.6 from earlier in the season. University City was 41.77 two weekends ago, with Serra the Santa Barbara Eastern Relays winner. Everybody here could finish under 42.0!

Rival Long Beach Poly was opening up at 46.9 across town that weekend. Morse (San Diego) is out quickly this season with a 47.7 already, with North (Riverside) 47.82. Skyline has great potential from up north, with Muir 47.90 two weeks ago.

Washington's Doug Sells (62-09.5 in 98 and 60-07.5 already this year) is amazingly also competing here in the High Hurdles where he has a 14.50 electronic best clocking! Lucias MacKay was 61-01 last spring, with a 75-01.5 (equal #3 All-Time U.S. Prep) in the weight throw during this past indoor season. An interesting clash of young stars will have super juniors, Rusty Price (60-1.5 this spring) and Rhuben Williams (60-06.5 as the nation's top soph in 1998), battling. Price was also named to the U.S. National Team for the World Youth Meet (under 18 World Championships) off his Junior Olympic successes last summer. Sam Lightbody has also edged over 60 feet this season to help make medals tough to come by in this field!

### EVENT OUTLOOK

Katie Hotchkiss, state runner-up in this event last spring in an impressive 4:49.77, has had a super winter. She picked up a big win against a national field in the Millrose Games and added the Nike Indoor Classic title in Ohio! The strong finisher will be matched against 1998 State third placer Spring Dawson (4:52.84) and fourth place finisher Angela Sanchez (4:56.76). Sara Gorton, winner here last year over 3200 meters in a fine 10:33.11, is dropping down in distance for this race. Sara has clocked 4:55 in a dual meet, so she has track conditioning! Allyson Marquand was 4:55.43 last year for four laps, with Desiree Davila an eight place effort in State and 4:59.59 best. Courtney Baird impressed mightily with a mid 10:40's Nike Indoor Classic two mile win, with Jamie Rosenquist under five minutes last spring in Washington. Improving Alejandra Barrientos was 5:00.42 at Stanford for a full mile. There is the mix for something special in this event.

### EVENT OUTLOOK

Nebraskan Brian Turner brought back memories of Jim Ryun in his running as a soph, with an impressive 4:09.29 best for a full mile while placing second to California star Jon Stevens at the National Scholastic Outdoor meet last June. Turner has 1:53 800 speed and has already qualified once for the Foot Locker Nationals in Cross-Country. A flock of others will challenge Brian here. James DeBruhl has been very sharp lately, winning over Turner and a strong group in a 4:18.39 L.A. Indoor Mile in February. DeBruhl has soloed 4:16.98 outdoors, with interesting 48.5 and 1:52.0 relay legs in the last few weekends. Josh Spiker has emerged as a great miler, cruising by at 3:09 for three laps on the way to a solo 4:16 relay split, then racing 4:15.6 (State Leader) in the Arroyo Distance Carnival. Marcus Chandler 4:15.77 (6th State), Javon Broderick 4:17.08, Daniel Mejia 4:17.5, Justin Neuroth Vista 4:17.65, Mike Kamm 4:18.03 mile, John Russell, and Tyler Williams have all been under 4:20.

Colorado's Ricardo Moody cranked 13.64 last year, but will be kept honest by a great Marcell Allmond, defending California champ at 13.83, was a close second to Moody indoors at the Simplot Games over the 60 meter distance. Charles Ryan, 14.06 last year, has blazed a California-leading 14.04. Clement Owunna has surprised with 13.9 and 14.26 clockings. Greg Lee was fourth in last year's State Meet with 14.03 (13.98w) bests. Marc James has improved at Harrison, joining teammate Moody under 14.0 this spring. Also we have James Smith, Arizona's best with a 14.13 98. Terry Jenkins was fifth in the California State Meet (14.39), all being chased by Jason Williams one of Canada's fine junior age hurdlers.

## EVENT OUTLOOK

The 100 Meter dash field is as strong as any gathered in the nation this spring. Defending State Champs from California, Oregon, Utah, and Kentucky will battle. Casey Combest wowed the prep world this winter with a 6.19 55 meter dash and highlighted the Nike Indoor Classic with a prep 60 meter record 6.57. Combest has huge big-meet credentials, including a silver medal from the 1998 World Junior Championships. He ran 10.44 (10.41w) last spring for 100 meters. Darrell Rideaux, the California Champion, was 10.36 last year, and was the National Scholastic Indoor 60 Meter champ this winter. The battle between the two should be a great one!!! Cody Fonnesbeck was the Utah State Champ last year (10.65), with Nic Acosta wowing fans in Oregon with a State title as a ninth grader (10.71)! Ric Cotengim ran 10.46w-10.67 in 1998. Albert Hollis the Stanford Invite champ two weeks ago had a 10.71w-10.82 last season as a soph. Sammie Parker is another Long Beach Poly flash at 10.67, with the duo of Lamont Long (10.73) and Stephen Hayes (10.72) quick sophs in 1998. Rideaux opened with a 10.4 to lead the state.

Florida's Erica Whipple and Colorado's Alexis Joyce are the real deal!! The nation's number two and three ranked sprinters behind Angela Williams, were ninth graders in 1998! During sterling seasons Whipple clocked 11.51, with Joyce close behind at 11.52, Joyce establishing a National age-14 record and both faster than Marion Jones at that stage of her career. Whipple took the Florida Relays title in an 11.55 that leads the nation. Joyce won the Nike Indoor Classic in 7.28 for 60 meters, establishing a national soph class record. Latrice Borders will lead the California challenge, with the fifth place finisher in last year's State Meet off to a great senior year with an 11.81 win in the Pasadena Games. Tania Woods (7th State 98 100m) had a great indoor season, with the nation's #3 55 meter dash time (6.97), and Duarte's soph Shakhan Lewis 11.99 to win the Bishop Amat Relays.

## EVENT OUTLOOK

Indianan Brett Tipton was the find of the winter prep indoor season, exploding to 1:51.89 and 1:51.77 clockings during the campaign that had him emerge as the winner at the Nike Indoor Classic in Columbus, Ohio. A 4:14.90 1600 runner last spring, Tipton has amazing acceleration and hopes for a good early pace that will help propel him to record a time of under 1:50. Others will rise to the challenge. Nebraskan David Stott was 1:53.51 last year, with Sean Ricketts, the nation's top soph, also clocking in with a 1:53.51. Zach Salberg, out of Washington, was 1:53.84 last year. Andre Young 1:54.31 (9th State), Chris Burns 1:54.48 (6th State), D.J. Ozan 1:54.67 (8th State), and Brandon Shaw 1:54.73 should push the eventual winner.

### EVENT OUTLOOK

Some fine teams will battle here. Ayala (Chino Hills) is saving Tess Cendejas and Nicole Gurnicz for this race, with 52.09 400 meter star Nakiya Johnson a huge help! East Salt Lake City, who shocked with U.S. Prep History's #8 All-Time clocking of 11:53.85 in 1996 with a win here, are coming in all fresh, with a fine 9:27.12 indoors this winter in the 4x800 relay. Sachem (Lake Ronkonkoma, NY) is usually very strong, with 4:51.33 miler Jeanna Composti anchoring. A number of very strong runners will make appearances with their teams here, with it expected that Katie Hotchkiss (Mission San Jose), Allyson Marquand (University, Irvine), Courtney Baird (Helix), Tiffany Burgess (Birmingham), and Abby Miller (Green Valley) all capable of well under 5:00.0 on the anchor four lap leg!

### EVENT OUTLOOK

Things will certainly not dally much on the Girls' side over 200 meters as well. Erica Whipple simply raced the fastest ninth grade time in U.S. History last year at 23.29, with Alexis Joyce setting a U.S. age-14 record of 23.63! Marion Jones was 23.70 as a frosh athlete! Floridan Whipple was the nation's fastest indoors at 24.06, with Joyce 24.36 at the distance. Amazing Nakiya Johnson will drop down in distance to battle the spectacular soph duo. Johnson, the nation's most improved prep from 1997 to 1998, where she dropped almost five seconds in the 400 to 52.09 and became a World Junior Silver medalist last summer. The determined Ayala senior does not like to lose, with the nation's best indoor 400 this winter at 54.35. Tania Woods was super this winter, with the nation's #3 prep clocking of 24.32. Latrice Borders was fifth in last year's State Meet with a 23.87 best (#4 returnee nationally), with a 24.06 State leading opener at Pasaden. Aisha Margain was fourth at State with a 23.94 soph best in 1998, and Shakkerah Merritt was eighth in that same Meet with a 24.20 best. Soph Shakhan Lewis (24.7) and Porchea Carroll (24.65) fill out another absolutely super event!

Last year the Long Beach Wilson Girls put on an inspired effort, racing a Meet Record 3:39.48 and being named "Athletes of the Meet." That entire group returned for the 1999 season, with soph Lashinda Demus joining seniors Joni Smith, Latrice Bordes, and Kim Gildersleeve for the trio's "farewell tour," with an annual April stop here at Arcadia. The squad has a great tradition in this event, and who will ever forget Kinchasa Davis's 51.7 anchor to win two years back over Penn of Philadelphia. Long Beach Poly has a ton of talent, and has to face Wilson "heads up" a number of times during the season as both teams go in search of a State team title. Westchester has run 3:53.69, with Taft (Woodland Hills) 3:54.64 with a dropped baton. Morse (San Diego) anchors with 52.93 star Monique Henderson, and has a 3:57.4 already this spring. Kearns of Utah was under 4:00 indoors this winter. St. Bernard has great potential, with Gahr welcoming back indoor star Angel Perkins.

A while back, we received a phone call from a track coach who has coached since 1936 – that's probably before your grandparents were born. He tried to retire in 1970, but he drove his wife **CRAZY** in 3 months, so he started a track club.

We asked him,

**“WHY DO YOU COACH??”**

He told us that if we didn't know why, he sure couldn't explain it.

I guess it's just a track thing.

There are 37,553 head track and field coaches just as crazy as our friend from New Mexico, and we know that they all read the same magazine:

AMERICAN  
**Track & Field**<sup>™</sup>
