****Important: It will take a day to get a new password and account set up---Do not wait until the deadline to set up your account!**

Coaches and Athletes

We really want to make these meets as high quality and efficient as possible. Our goal is to host and provide a highly competitive and exciting atmosphere for the athletes and spectators alike. Please pay close attention to the events schedule for the meet you will be competing at. We are very excited to be able to host these fine meets in conjunction with the City of Albuquerque. If you have any questions at all, please email us at mrkhenry@unm.edu or call us at the office at 505-925-5735.

Admission

Spectators and teams must enter through the WEST entrances. There will be an admissions fee for all spectators. There will be bleachers set up on both sides of the oval. Spectators are not allowed in the in-field or on the track at anytime.

Trainers

The University of New Mexico Athletic Trainers will have a training station set up in the Northwest corner of the convention center. If you happen to travel with your own trainer, they will be allowed to set up in that corner as well.

Dressing Facility

Unfortunately the convention center does not have showers or dressing facilities. Please try to come to the track dressed to compete.

Warm-Up Area

The floor in the arena provides an excellent place for athletes to warm-up. There is ample room surrounding the track for athletes to warm up. Also, the weather will generally be acceptable for light warming up outside. As we all know, the weather can be unpredictable, but the average high for mid-January to mid-February in Albuquerque is 48-55 degrees.

Spikes

1/4 inch or less PYRAMID spikes are the *only* spikes allowed on any of the competition surfaces. Athletes not complying with this specification will not be allowed to compete. Spike length will be strictly enforced. Please arrive at the facility with this in mind.

Implement Weigh-In

Weigh-ins will be done between 9am and 11am *only*. The weigh in area will be located near the throwing ring. Only indoor implements will be allowed for competition.

Electronic Equipment / Rules

Fully Automatic Timing (FinishLynx) will be used for all running events on both the oval and straight. NCAA rules will be used in all cases. If an appeal needs to be made, please contact the scorers table.

Event Check In

Athletes in running events must check in at the check in table located on the East side of the oval when the announcer makes the FIRST CALL for that event. Field event contestants should check in with the head official at their event area when the announcer makes the FIRST CALL. First calls will be made approximately 20 minutes prior to the start of the race.

Results

Results will be posted shortly after the completion of each event throughout the arena. Results packets will also be made available to coaches after the full completion of the meet. Final results will also be made available on the Lobos website: www.GoLobos.com

Concessions

The convention center concession stand will be open on the track level.
