

# You are invited!

## Our philosophy for the meet:

We desire to put on a "varsity quality" invitational for your frosh soph athletes. Too often, the "stars of the future" are eclipsed by today's standouts. Our meet gives the stage over to the up and comers, and provides them an opportunity to be treated to a high-class, well run meet with all the perks and benefits of varsity-level meets. With custom-designed, unique "see-through" medals, full snack bar, automatic timing and seeding, program and t-shirts, nothing is downsized in the absence of varsity athletes.

Partnering with [Dyestatcal.com](http://Dyestatcal.com), we'll provide your frosh-soph athletes showcased results and photos, indeed a rarity in the varsity dominated meets on most weekends. In short, we're working hard to put on a great meet for you and your athletes!
