

CALIFORNIA TRACK & FIELD RESULT DATABASE NOW AVAILABLE THROUGH EPI SPORTS

We at EPI sports, and THRILLED to announce a new feature that will revolutionize the way the track community uses results!!!

You may have already noticed that all results on www.dyestatcal.com this year are powered by EPI Sports. Not only are these results cleaner and much easier to view than previous years, but they are also stored in our powerful database. That's right! We have record of every invitational and Dyestat elite dual meet mark reported this year in a user-friendly, sort-able database!!!

- Are you a head coach who wants a quick and easy way to dope a dual meet?
- Are you a meet manager looking for a simple tool to help you verify marks?
- Are you an athlete who wants to see how you stack up against the rest of California?
- Are you a parent who wants to see your child's name in print?

OR

- Are you just a track and field nut who just can't get enough stats?

Then the new EPI Sports Results Database is for you! You can now quickly filter results by event, school, athlete, date, or meet. You can view lists and make them as deep as you wish. Want to see the top 2000 marks this year in the 100m? It's available at the click of a button! Need to know what the other schools in your league have done so far this year? You can view it at www.episports.com!

For only \$15 (subscription required), you can have unlimited access to this powerful, time saving tool for the rest of the season. No need to spend your entire Sunday searching the internet for results; just log in to the EPI Sports Results Database, and let us do the work!

To sign-up, visit our website at www.episports.com and follow the steps to sign-up for an account. You do not have to be a coach to sign-up for a result account. If you are a coach who already has an account, you can add the result feature to your account. Simply follow the instructions on our website.

We hope you enjoy!
