* * Awards * *

Medals will be given to the top six (6) places in each event.

A championship trophy will be given to the Winning team in Varsity Boys and Varsity Girls. The second place team in each will also receive a trophy.

SEEDING

(A) Athletes will be seeded by their mark made at the Area Meet or the Sequoia-Sierra Championship Meet. The fastest nine athletes will be seeded in section two by their time. The nine slowest times will be seeded in section one by their time.

(B) Qualifiers:

North Area	- 4
Central Area	- 4
South Area	- 4
Sequoia - Sierra Section Meet	- 3

The next three best times or marks will be used to fill the field of eighteen. Then, the next three best non-qualifying marks will be set as alternates. Alternates will be placed in order by best mark as to who will get added to an event first if there is a scratch.

(C) If an athlete scratches from the number two section, the fastest finisher will be moved up to replace him/her.

(D) At the Area Meet or Sequoia-Sierra Meet, if an athlete is planning to not participate in an event at the Central Section Masters Championships, he/she should notify that meet director and the person collecting entries.

(E) All field event athletes will be seeded from lowest mark to best mark by the athletes qualifying mark made at the Area Meet or Sequoia-Sierra Meet. In high jump and pole vault, continuing flights will be used. In the other field events, there will be three flights of six.

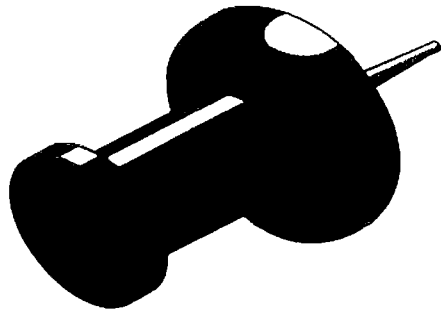

(F) If there is an electronic tie (or hand time tie in the case of automatic failure) for a third place state meet qualifying spot, a runoff race will be held at the conclusion of the meet between the tying competitors.

State Qualifiers:

Top 3 in each event automatically qualify for the state meet @ Cerritos

Following are the at-large marks for qualification to state:

	Boys	Girls		Boys	Girls
100	10.73	11.98	HJ	6' 5"	5' 4"

Traion Baker (Tulare Western)

Traion Baker is the boys track and field coach at Tulare Western High School. A 1987 graduate of Tulare Western High School, Traion has been a big part of the consistent success of the Western Track team. In the thirteen years that Traion has been coaching the Western boys track team they have won 11 league titles. Unlike many walk-on coaches Ms. Baker's interest in track and in the success of young people in general do not end when the high school season ends. She has spent the last 20 summers coaching the Tulare Express track and field team. "Traion's commitment to young people in Tulare is commendable" says Tony Rodriguez the Westerns women coach. Much of the success that we have experienced in the last 13 years at Western is due to Traion's hard work not only during the season but during the summer as well. Our program has benefitted greatly from her involvement with the local club team. Traion is a strong women who is viewed by many of our young men as a mother figure. She demands respect and hard work from all of our athletes and she always get the most out of our young men.

Marty Simpson (Buchanan)

Martin Simpson got into running as a means to stay in shape for football and baseball. In 1968 Marty began his coaching career in Santa Barbara at Bishop High School. In the 1970's teaching jobs were hard to come by so Marty packed up his family and moved to Australia where he taught and coached for 2 years. Upon returning to the U.S. and working on his masters at UCSB, he coached at Santa Barbara City. After completing his masters in Exercise Physiology Marty and family moved to Salinas. In 1980 Marty began his teaching and coaching career in Clovis Unified at Kastner. In 1983 he transferred to Clovis West and was an assistant coach. Marty became the head cross country coach at CW in 1984. While at Clovis West he coached many section championship teams. Buchanan opened in 1991 with only 9th graders and Marty was up to the challenge of starting a new program. In 1992 Coach Simpson coached his first Buchanan Valley Championship team. Since that time he has coached 10 Valley championship teams in Cross Country, 2 state runner-ups and one state champion team. In track he has had a state champion, state runner-up and many state medalist in track and field. When the head track coach at Buchanan was asked about Marty he said "Without Coach Martin Simpson's drive and love for running Buchanan would not be where it is today."
