AT-LARGE ENTRIES - At-Large entries into Divisional Prelims are also available to qualifying athletes. At-Large Entries will be based only on competition in the League Finals and only at the Varsity level. At-Large entries will qualify using the formula of the average of the 9th place mark from the preliminaries of the last three years. If an athlete meets the qualifying standard for At-Large entry (see chart below) and the form is properly filled out (including legible signatures) it must be returned by the League Meet Manager along with the regular League entry forms. It is advisable if the League anticipates an At-Large entry in a running event they assign two timers to that place so both times can be recorded on the entry form.

FREELANCE ENTRIES - You will want to consider the average of the last three years 9th place qualifier from the Divisional Prelims when making your freelance entry. (See chart below). A letter, signed by an administrator, requesting entry for one or more individuals into an event in Division IV. The letter MUST include the following data:

- | | | |
|-----------------------------|----------------|-----------------------|
| 1. Event (specify boy/girl) | 3. Grade level | 5. Mark for the event |
| 2. Full name of the athlete | 4. School | 6. Date/Type of meet |

No petitions will be accepted after Noon on Wednesday, May 3. **Freelance schools may call the Division IV Meet Manager** on Monday, May 8 between the hours of 2:00pm and 4:00pm to verify acceptance of the entry.

SEEDING OF EVENTS

In determining the heats for athletes in the **Preliminary Meets** the seeding process will attempt to spread the talent as evenly as possible. The formula for lane assignments is: 5, 6, 4, 7, 3, 8, 2, 9, 1. All Tracks used in the Prelims have an Olympic turn and a common finish line.

Seeding for the **Championship Finals and Masters Meet** will be based on the athlete's performance in the Divisional Prelims and Championship Meet. The fastest to slowest times in each running event will dictate the lane assignment. The formula for lane assignments is: 5, 6, 4, 7, 3, 8, 2, 9, 1. The 800's will be run with a one (1) turn stagger; the 1600's from a scratch start; and the 3200's will be run in two alleys. The 1600 relay will be run with a three (3) stagger turn. Cerritos College has an Olympic turn and a common finish line.

GENERAL INFORMATION RUNNING EVENTS

The Division Preliminary Meets and Championship Meet are considered under National Federation Rules as **ONE** meet. Coaches are reminded of Rule 4-2-1 & 2 limiting participation for each athlete to four (4) events (including relays).

All competing athletes must wear a regulation uniform as specified in National Federation rules 4-3. All athletes competing must wear their school uniform at all times. All members of Relay Teams must wear matching uniforms. All visible clothing under the uniform must be of a **SOLID, SINGLE COLOR**. No other non-school uniforms or clothing may be worn during warm up, competition, or in the awards area. **While in the area of competition the athlete must keep their uniform on. Area of competition includes the track and adjacent grass areas.** Jerseys will be required to be tucked into the shorts during competition. (Note: National Federation Rules: Rule 4-3-1b7 page 25 and Rule 3-2-4j page 15)

National Federation Rule 4-3-3, regarding the wearing of jewelry, will be enforced.

All warm ups for running events will take place on the grass field located near the stadium track. Access to this area will be limited to athletes and coaches wearing identifying credentials. Members of the press with credentials may also be in this area for interview purposes. These interviews should in no way conflict with an athlete preparing for a later event. No member(s) of the general public will be allowed to enter the warm up field.

The **Clerk of Course** will be located near the warm up area. **Runners must report to the Clerk of Course prior to their race** or they will not be allowed to participate. Alternates should also report to the Clerks area in case of a scratch in that race. A loud speaker system will keep all athletes informed of when they are to report. Hip numbers that are issued in the clerks area are to be worn on the side seam of the competitors shorts. All athletes reporting to the Clerk should be in uniform, ready to compete on the track. Coaches, media, parents **ARE NOT PERMITTED IN THE CLERKS AREA.**

Starting blocks will be provided by meet management in all meets with the exception of the Moya block. **Batons** will be provided by meet management in all meets. Please do not let your athlete enter the Clerk's area with either of the above implements.

In case of a tie in a running event, the run-off to break the tie will occur thirty (30) minutes after the last running event. Coaches are advised not to leave until **OFFICIAL** results have been posted.

All tracks are Olympic turn 400m tracks with all weather surfaces and 48" lanes. The maximum length of spikes allowed is 1/4" (7mm). All shoes will be checked at the athletes entrance gate, the Clerk of Course, and by individual event officials. Suitable spikes will be available for purchase.

FinishLynx timing systems will be used with Hy-Tek results. All official results will be posted in each site for Coaches review. In the Prelims, questions regarding the official results should be directed to the Meet Manager. In all other meets, the Coaches Corner will handle all questions regarding event results. Automatic timing in 1000's of a second will be used for advancement purposes only.

Coaches are reminded that if an athlete must use an inhaler (atomizer) it will **NOT** be considered an illegal aid as long as a physician's statement documenting the need of the athlete to use a prescription during competition is presented to the Clerk of Course prior to the beginning of the meet.

The Referee and a Jury of Appeals will be available to rule on all appeals submitted by the head coach of the concerned team. Appeals are to be submitted in writing to the Coaches Corner for Division Finals and Master Meets. Forms for appeals will be available from the Coaches Corner. The appeal should be lodged immediately following the event, but in no case later than thirty (30) minutes after the results of that event have been posted on the results board. The Jury of Appeals (if appointed) will make the final decision regarding any appeal.

Awards will be given in each event in the Championship Meet and Master's Meet. In the **Championship Meet** there will be medals for the first eight place finishers in each of the four divisions and there will be team plaques for the winner and runner-up in each Division. At the Championship meet, the medals will be awarded in the field events at the conclusion of the event; and the medals will be awarded on the field for running events as soon as official results have been determined. Team plaques will be awarded within fifteen (15) minutes of the conclusion of the Championship Meet. SPECIAL NOTICE

SUPERVISION OF ATHLETES

The Southern Section Office has experienced a problem which has perpetuated itself over the past few years as it pertains to proper supervision and entry of student-athletes in the post-season playoffs.

The situation relates only to individual sports, i.e. CROSS COUNTRY, INDIVIDUAL TENNIS, TRACK, SWIMMING, etc. and the official recognition and registration of entrants at the respective playoff sites.

State and Southern Section Rule 308 states:

No CIF team (i.e., individual) shall participate in inter-scholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code Title V and CIF By-Law #506A and #506B. (Additionally, refer to Rule 123.) The supervisor must remain in attendance at all times.

Those persons APPROVED FOR SUPERVISION PURPOSES are limited to:

- A. Certificated personnel
- B. Certified Coaches (certified credentialed coaches)
- C. Non-certificated temporary coaches (certified walk-on coaches.)

(It should be noted that schools representing the same DISTRICT may send one credentialed or certified supervisor for three or four athletes. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its' member schools to this one individual.)

However, the concern is for those students who ARE NOT accompanied by a faculty representative and report to the playoff site by themselves or with a parent. ***GIVING PARENTS THE SUPERVISION AUTHORITY, WHETHER IN WRITING OR NOT, DOES NOT MEET THE STANDARDS SET FORTH IN THE ABOVE REGULATIONS. This also applies to parents who are the student's private coach but are not under contract to the member school.***

PLEASE NOTE, THIS RULE WAS REVIEWED BY BOTH THE STATE CIF OFFICE, IT'S GENERAL COUNSEL AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE. IT HAS BEEN REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION RULE 308, IS TO BE DENIED ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF attorney, there are inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.

DATE: April 19, 2006
TO: Boys and Girls Track Coaches
FROM: Paul Castillo, Assistant Commissioner
SUBJECT: Advanced Placement Testing During the 2006 CIF Track and Field Championships

This year, as in years past, the CIF-SS TOYOTA Track and Field Championships will take place at the same time as Advanced Placement Tests are being administered. While it is not our intention, we realize that this situation places student/athletes in a difficult position. Under our current season of sport rules, which require the scheduling of our championships in early May, there is no way that these conflicts can be prevented. In an effort to help your student/athletes work through this potential conflict, I am enclosing the following information:

1. A schedule of the 2006 AP Exam dates and subject.
2. Information we received from AP Services on the process regarding late testing, if your student/athletes wish to take advantage of that opportunity.

Hopefully, this will help all of us solve any potential problems in this area. If you have any questions, please do not hesitate to contact this office.

LATE AP TESTING

Occasionally extreme circumstances may make it necessary for a particular exam to be administered late to an individual candidate or a group of candidates. The late administration must occur within one week of the regularly scheduled test date. All late administrations within a single subject must be held at the same time. Only students affected by the circumstances may test late; the other students must test on the regularly scheduled date. Early testing is not permitted under any circumstances. In the event you have to administer an exam late, you must adhere to the AP Program's Late Testing Policy, as stated here.

Below are circumstances for which late testing, using an alternate form of the exam, will be allowed. Category I circumstances are generally beyond the control of the school administration and the students. In such cases, there will be no additional fee for using an alternate form of the exam. Category II circumstances are those in which schools or students generally have a choice between administering and taking the exam on the scheduled date, or requesting an alternate date. When Category II circumstances are used, the school will be billed an additional \$40.00 per candidate for each exam to partially cover the costs to prepare, print, ship and grade the alternate forms of the exam. Schools facing the hardships listed below who have not already completed the Late Testing Request Form and submitted it with their Exam and Special Services Order Form should complete the Late Testing Request Form in the back of this manual. Those in Category I should call AP Services at (609) 771-7300 or toll free at (877) 274-6474. Schools with Category II hardships may fax the form to AP Services at (609) 771-7320. **Prior to approval for either category, the school principal must sign and submit this form to confirm the need for late testing. Additional documentation is no longer requested.**

Once a late administration is approved, time permitting, a confirmation notice will be sent to the school. Schools should then inform students asking alternate exams that their grades may be delayed up to a month (August release). In addition, the students' free-response booklets will not be available at any time, nor will data on the school's Report to AP Teachers include these exams. Students taking the U.S. History exam late using an alternate form of the exam should also be advised that the document-based question (DBQ) may not be on the same time period as indicated in the 2001 *Guide to the Advanced Placement Program*.

CATEGORY I

- Ø Forced, official closing on or around the test date due to natural disasters, religious holidays/observances, strikes, or election.
- Ø Unexpected serious emergencies (bomb scares, fire alarms, serious injuries, illnesses, or family tragedies).
- Ø Language lab conflicts when using local college facilities (this reason cannot be used annually).
- Ø Date and time conflict with International Baccalaureate exams.
- Ø Candidate has three or more AP exams scheduled on the same date or time.

CATEGORY II

- Ø Academic/educational or athletic contests/events (national science fairs, band scholarship competitions etc.).
- Ø Contractual labor conflicts at school (e.g., school must be locked up after a certain hour).
- Ø Local decision to close school (unused snow day, etc.).
- Ø Conflict with other non-AP examinations being administered at the school.

Late Testing will not be permitted for the following circumstances:

- Ø Senior class trips.
- Ø School assemblies.
- Ø Family vacations/commitments.
- Ø Family member graduation.
