The North Bay League will receive a fifth entry during the even years and the Marin County Athletic League will receive a fifth entry during the odd years.

<sup>2</sup>Lower Lake shall compete in the Coastal Mountain Conference's league qualifying track and field meet. When a Lower Lake athlete(s) place in the top four (4) of the CMC meet he/she qualifies (up to three entrants per event as stated in the National Federation Rules Book Rule 4-2-4c on page 21) to the NCS/Les Schwab Tires Redwood Empire Track & Field Championships.

NOTE: This action may require an additional heat at the NCS/Les Schwab Tires Redwood Empire Track & Field Championships in all races that are run in lanes.

<sup>3</sup>The number of qualifiers for the Tri-Valley Area Championships from each of the league meets will be as follows:

- When a nine-lane track is used for the area championship, each league shall have six (6) qualifiers from their respective league championship meets.
- When an eight-lane track is used for the area championships, each league shall have five (5) qualifiers from their respective league championship meets, and the sixteenth entry will be the individual with the next best qualifying mark (time, height, or distance) in each event from the league championship meets.

<sup>4</sup>Branson School and Justin-Siena shall compete in the Marin County Athletic League's league qualifying track and field meet. <sup>6</sup>Any league that fails to forward **any entries in an individual event** will increase the entries to other participating leagues. No league will receive more than six entries and the Meet Director of the Class A or Area Meet must maintain equal entries from each participating league

.Note: Due to the number of potential qualifiers in the NCS/Les Schwab Tires Class A and Redwood Empire Track & Field Championships additional heats may be necessary in some races.

For any meet, a student may enter not more than any four track and field events.

A student may compete in only one classification in league meets. Example: A student who is entered in Frosh-Sophomore competition in a league meet, but who fails to qualify for the finals cannot be moved to a Varsity relay team for the finals of that same meet.

A student who has been entered in the maximum number of events in the trials of any meet, but who fails to qualify in one or more of these events is not eligible to be substituted as a member of a qualifying relay team in the finals of that meet.

A student who competes in a non-varsity classification in the league meet may compete as a member of a Varsity relay team in either of the NCS/Les Schwab Tires Area/Classification Championships or the NCS/Les Schwab Tires Meet of Champions

A student must compete in the NCS/Les Schwab Tires Area/Classification Championship Meet in the individual events in which the student qualifies in his/her league meet.

#### 24.709 Hardship Rule

The "hardship rule" is designed to provide consideration for the outstanding and deserving athlete in the Section, who through an extenuating circumstance is prevented from participating in the Class A and Area Championship meets and thereby from qualifying for participation in the Meet of Champions competition.

The following procedure will be observed:

- 1) Application for consideration will be presented to the NCS Class A or Area meet director in writing by the coach before the meet starts, giving name, event and circumstances. The applicant must be a league designated qualifier/entrant to the NCS/Les Schwab Tires Class A or Area Championship. The Qualification Committee, which will consist of the NCS Class A or Area Championship meet director, and the NCS track representatives from each league represented in the NCS/Les Schwab Tires Class A or Area Championship meet will act on "hardship case" application immediately following the meet and its decision will be final.
- 2) A league designated qualifier/entrant granted favorable consideration by the committee will participate on the following Tuesday or Wednesday in a run-off, throw-off or jump-off in competition with the last place potential qualifier of the NCS/Les Schwab Tires Area Championship meet. Each contestant will be allowed four throws or jumps in the shot put, discus, triple jump or long jump. The competition will be held on a neutral field, and at a time

selected by the committee in cooperation with the two coaches.

- 3) The third place finisher in NCS/Les Schwab Tires Class A and the seventh place finisher in the NCS/Les Schwab Tires Area Championship will not qualify automatically to the NCS/Les Schwab Tires Meet of Champions. They will be approved for section competition only by action of the Qualification Committee following consideration of "hardship application", if any, and after implementation of the above procedure when necessary.
