## J. Sportsmanship:

1. The basis of all competitive interaction in the Masters meet is a commitment to the CIF Sac-Joaquin Section Code of Ethics and to true sportsmanship which describes a meet athlete as "...a person who can take a loss or defeat without complaint or victory without gloating, and who treats his/her opponents with fairness, courtesy, and respect."
2. Coaches and athletes are reminded that Sections 301.3 and 301.4 of the CIF Sac-Joaquin Section Constitution will be enforced.

## K. Registration:

1. Coaches and competitors must first check in at the competitors' gate before the meet.
2. Track athletes must register with the clerk of the course when their event is called.
3. Field athletes must register with the event official at the venue when called.
4. Coaches must certify at competitors' gate that his/her athletes are properly attired in compliance with rules for 2007. Questions can be addressed to the games committee.

#### L. Uniforms:

1. Each athlete in the Masters trials and finals must wear his/her school uniform during competition.
2. Hats or any other headgear are not part of the school uniform and will not be worn during competition.
3. Uniform shall conform to National Federation rules and Sac-Joaquin Section Constitution (school singlets and shorts or body suit, one or two piece, issued by the school; properly colored undergarments).
4. Bare midriff tops are not acceptable. The jersey (singlet) must hang below or be tucked into the waistband of the shorts or briefs when the competitor is standing erect. **NOTE:** *The intent of the rule is to ensure that jerseys cover the midriff completely when a competitor is standing fully erect before beginning competition. However, the games committee (state track and field/cross country advisory committee) has determined that all jerseys **must** be tucked into the short prior to competition and the waistband of the shorts **shall not** be rolled down.*

#### M. Jewelry:

1. Contestants shall not wear jewelry with the exception of religious or medical medals. If such medals are worn, they shall be taped to the body under the uniform. **RATIONALE:** *This rule will enhance safety issues and bring track and field/cross country in line with other NFHS rule codes. Approximately 50% of our state associations have enforced a no jewelry rule, and this change will make all states consistent regarding this issue.*  
**NOTE:** *Athletes while competitors (after reporting to the starting line or field event judge) are forbidden to wear all forms of **visible** jewelry, including bracelets, regardless of material; metal pins/clips or hard plastic barrettes in their hair; rings; earrings or studs; and any type of body piercing. The operative word is visible; however, if a competitor competes with something that is illegal that becomes visible during the course of his/her event, he/she can be disqualified.*
2. Wrist watches are exempt from this rule.
3. Taping over pieces of jewelry is **not** allowed. Jewelry is to be removed completely or an athlete shall not be allowed to compete. The fact that an item cannot be removed or ears were just pierced is not to be considered as an acceptable excuse for compliance.
4. A medical alert bracelet is permitted if taped to the wrist with the faceplate showing.
5. Religious medals must be removed from around the neck and taped to the body under the jersey.
6. Beads tightly woven into the hair are allowed, but beads dangling from strands of hair are not allowed.
7. The penalty for competing while wearing prohibited jewelry is event disqualification.

#### N. Athletes' Area/Warm-ups:

1. Athletes may sit in any bleacher area or in the area to the south of the track.
2. The grass area south of the track and outside the discus venue is designated as the track athlete's warm-up area. No warm-ups on the track or on the infield.
3. Field athletes will be allowed to warm up at their venues when officials arrive, approximately one hour before the event begins.

8. Time limits between competitors will be enforced: pole vault-1 1/2 minutes; horizontal jumps-1 minute; high jump-1 minute; shot put and discus-1 minute.
9. In the finals for the throws, each competitor receives three attempts with all competitors being re-ordered by mark and having three more attempts to determine places.
