

The following are the 10 best Central Coast Section track and field performers of the season (marks reported through Saturday). A "c" denotes the time has been converted to match the distance of the event heading.

Only automatic times are listed in 10ths while hand times are given in 10ths. Auto times are placed higher on the lists than hand times based on the following recognized procedure: a difference of 0.24 seconds for the 100, 200 and hurdles; a difference of 0.14 seconds for the 400; and a difference of 0.09 seconds for anything longer than 400.
