OLYMPIANS FROM THE CCS by Howard Willman

Track and Field athletes and the Central Coast Section area have long been good friends. It is no secret that the area is a favorite with many of the country's best athletes, nor is it hard to recognize that the CCS is one of the nation's best hotspots of high school competition.

It probably comes as no surprise, then, to find out that many of the United States' track and field Olympians went to high school in the CCS. In fact, since World War II every U.S. Olympic team has been represented by at least one athlete from our section. That's 9 straight Olympic Games starting with 1948.

And since 1984 was an Olympic year, this year's CCS program gives you an account of all the CCS athletes who have been a member of the U. S. Olympic Track and Field Team.

1948: Bob Chambers was a 1944 graduate of Los Gatos, and he showed much promise when he ran the 880 in 1:54.4 the summer of his senior year. At the time, that made Chambers tied for second on the all-time high school list. After enrolling at USC, he took 3rd in the '48 NCAA 800 (1:52.6) and 3rd again in the Final Olympic Trials in Evanston, Illinois (1:51.4). In the Olympics he qualified for the final with a 1:52.9 in his heat, Chambers took 6th in the final with 1:52.1, as the legendary Mal Whitfield won with 1:49.2. He recorded his all-time best of 1:50.2 in 1950. Jim Delaney, a 1939 graduate of Sacred Heart, became the 3rd farthest throwing prep of all time with a shot put throw of 58-8 in the spring of '39. He went on to Notre Dame, where he took consecutive 3rd places in the NCAA in 1942 and 1943. At the Final Olympic Trials in Evanston in 1948, Delaney was easily a favorite to make the team after winning the AAU championship in 1947 and 1948. He won the Trials (55-1 3/4), but was upset in the Olympic final as Wilbur "Moose" Thompson of the U.S. won the gold at 56-2. Delaney captured the silver medal with a best of 54-8 3/4. Delaney' best-ever throw was the 55-1 3/4 that he won the U.S. Olympic Trials with.

1952: George Mattos won the state pole vault title in 1947 as a senior at Pacific Grove (12-6). He went on to star at San Jose State, tying for 4th in the NCAA in 1949 and tying for a second in '50 and '51. At the Olympic Trials in Los Angeles, Mattos cleared a PR 14-5 3/8 to secure the 3rd position on the U.S. Team. In the Olympics, he took 9th at 13-9 1/4.

1956: After the 1952 Games, Mattos continued to improve. He improved his PR to 14-8 in the summer of 1952, and in 1953 tied for the AAU title. At the Olympic Trials in Los Angeles, Mattos again PR'd, this time at 14-10 1/2, to take 2nd and make his 2nd Olympic Team. In the Games he managed only 14-3 1/4 but still claimed 4th. Don Bowden was one of the CCS' all-time greats,

having set a national high school record of 1:52.3 in the 880 in 1954 as a senior at Lincoln. Up until the Olympic Trials, 1956 was not a year he'd want to remember. As a Cal soph, he had been out almost the whole season with a strained Achilles tendon. But at the Trials, he flashed a brutal finishing kick to claim the 3rd spot on the U.S. Team in the 1500 (a PR 3:48.6). The Olympics were held late in the year (November) since they were on the other side of the equator (Melbourne), and Bowden never was in the hunt in his heat as he finished 11th in 3:59.7. But the two-time state prep 880 champ didn't stop there. He won the NCAA 880 (1:47.2), and on June 1, 1957, he made history in Stockholm by setting an American Record in the mile and becoming the first-ever American under the 4:00 minute barrier (3:58.7). Vern Wilson, who tied for the state high school high jump title at 6-2 in 1950 (as a senior at San Jose), had taken 3rd in the 1958 AAU high jump and 2nd in the '56 AAU prior to the Trials. At Los Angeles he PR'd at 6-9 1/2 to claim 2nd and was on the Team. But at the Games, he was only able to negotiate 6-6 3/4 and was given 10th place. That 6-9 1/2 survived as his PR.

1960: Two of the all-time CCS greats competed at these Games in Rome. Rink Babka, a 1954 graduate of Palo Alto, was 3rd in the 1957 NCAA discus, but in 1958 won the AAU championship (187-10) and tied the legendary Al Oerter for the NCAA title (186-2). In the 1960 Olympic Trials at Stanford, he defeated Oerter (winning at 192-3 1/2) and was on the Team. And in Walnut on August 12--about a month before the discus final at the Games--he tied the World Record of 196-6 1/2. But in teh Games, Oerter came through with a fifth-round throw of 194-2 to win the 2nd of his 4 Olympic golds. Babka, at 190-4, claimed the silver. The other great to make the Team was a high school junior now known as Pat Connolly (Evelyn Ashford's coach for 8 years now). But then her name was Billie Pat Daniels, a junior at Capuchino. Though athletics weren't instituted yet for girls, Daiels was one of the first members of the San Mateo County Girls Athletic Association (now known as the Millbrae Lions) and was one of the first of many fine proteges of coach Ed Parker (still the coach of the Lions and Mills H.S.). She had won the 1960 AAU 800 (2:17.5) and competed in the Olympics just six days after her 17th birthday. However, in the Games she was tripped and was disqualified for subsequently taking too many steps inside the rail. More about Daniels later.

1964: Jeff Fishback, a 1959 graduate of San Mateo, found success in the steeplechase as a collegian at San Jose State, taking 2nd and 3rd in the 1962 and 1963 NCAA meets. In 1964 he won the AAU (8:43.6, a meet record and PR). He then qualified for the Olympics by wining the Semi Trials in Randalls Island, New York, in a PR 8:40.4. In the Games, he took 4th in his heat (8:50.2) and ended up one spot from qualifying to the final. His 8:40.4 made him the 2nd fastest American ever at the time, and he never improved on that time. He also took 2nd in the 1963 NCAA 6-Mile. Another distance star to make the Team was Ron Larrieu, the

As a high school junior, she equalled the American Record at 1500m (4:16.8, a high school record which stood for 13 years). In 1972 she won the first of 10 national championships, this one at 1500 (4:18.4). At the Olympic Trials in Frederick, Maryland, she set an AR of 4:10.4. In the Olympics, she took 3rd in her heat (4:11.2) but 8th in her semi (4:15.3) and didn't advance to the final. More on Larrieu.

1976: Millard Hampton, a 1974 graduate of Silver Creek, was the story here. As a prep, he won 3 straight CCS 100y and 3 straight CCS 220y titles and the state 220y title in 1974. At San Jose City College, he was a blazer in his sophomore year, winning the state 100 and 200 and running on both SJCC stae-champion relay squads. That same hear he also won the AAU 200 (20.89) and Olympic Trials 200 (a national JC record 20.10). In the Olympics he captured the silver medal in the 200 behind the legnedary Don Quarrie (20.23 to 20.29) and ran the 3rd leg on the U.S. 4x100 team which won the gold medal (38.33). He ended his career with PRs of 10.33 ('77), 20.10 ('76) and 46.5 ('76). After 1972, Larrieu had become the premier distance runner in the U.S., having set a ton of American Records at various distances including the 1500 (4:08.5 in 1975). She took 3rd in the Olympic Trials 1500 (4:08.1) as the winner set an American Record (we'll get to the winner in a moment). In the Games, she set an AR in her heat (4:07.21) but was 9th in her semi (4:09.1) and didn't qualify for the final. Cyndy Poor, a 1971 grad of Saratoga, was the pleasant surprise of 1976. She, like Daniels and Larrieu, couldn't compete for her school because girls programs had still yet to start, and she trained with Argabright as well. Starting out as sprinter (25.5y and 56.0y in '71), she gradually worked her way up. By 1976 she was one of a handful of middle distance runners who had a shot at making the U.S. Team. She did it in the 800, which was thought to be her best distance, by taking 2nd in the Olympic Trials (2:00.6). But 5 days later she tossed out her trump card, winning the 1500 in an upset and an American Record (4:07.32), leaving veterans Jan Merrill and Larrieu in her wake. In the Games, she opted to only run the 1500 and finished 6th in her heat (4:09.0) and didn't qualify on to the next round. She finished her career with PRs of 2:00.15 ('76) and 4:06.83 ('76) along with 9.24.1 at 3000 ('75). Honorable mention should go to Bruce Wilhelm, a 1963 graduate of Fremont. Though not a member of the track & field team, he did make the U.S. Weightlifting Team, and finished 5th in the super heavyweight division of the Games. As a prep he threw the shot 65-6 for the 2nd-best mark ever by a CCS athlete.

1980: The Olympics that weren't. That's how they'll be remembered by members of the U.S. Team who weren't allowed to compete in teh Games because of the boycott instigated by President Jimmy Carter. Bill Green, a 1979 graduate of Cubberly (which closed that same year), won 4 CCS sprint titles as a prep (the 220-440 in '78 and the 100y-400 in '79). He also won the state

1956 state mile champ (4:20.1) as a senior at Palo Alto. He went on to run for Mt. SAC and Cal Poly/Pomona, and really didn't make his mark until after college. In the Final Olympic Trials in Los Angeles, he claimed the 3rd U.S. spot in the 10,000m (29:20.4). In the Olympics, though, he struggled and finished 24th in 30:42.6. He later won back-to-back AAU cross country titles in 1965 and 1966. Repeating on the U.S. Team was Daniels, now married and known as Pat Winslow. Not only did her name change, so did the event in which she made the Olympic Team. This time it was the pentathlon, not the 800. As a senior at Capuchino in 1961 she won the AAU 880 (2:19.2) and pentathlon (4243), the first of 7 straight national pentathlon championships. In the Olympics, she set an American Record (4724) and placed 7th. Still more to come on Winslow.

1968: Lee Evans, a 1965 graduate of Ovefelt, is remembered as one of the greatest athletes to ever live. As a senior he ran the 440 in 46.9, then making him the 7th fastest prep ever. He spent his frosh year at San Jose City College, breaking the national JC record 4 times (best of 45.2), and then went to San Jose State. In '67 he won a second straight AAU 440 and also the Pan-American Games 400 (44.9). In 1968 he won the NCAA (45.0), AAU (45.0), the Olympic Trials (44.06 World Record) and every other 400 he ran but 2 non-major races. In the Olympics, in the high altitude of Mexico City, he won the gold medal with still-standing World Record of 43.86. He came back to anchor the U.S. 4x400 team to a gold medal and World Record 2:56.16, another mark which still stands. More on Evans later. Also making the team was Tom Dooley, a 1963 graduate of Westmoor. Dooley made the team in 20-kilometer walk and finished 17th in the Games (1:40:08). Making her 3rd straight Olympic Team was Winslow, who won her 7th straight national pentathlon championship in 1967. She skipped the nationals in '68, but was the top American in the Olympic Trials. In the Games, she had her best finish ever (6th) as she set the American Record again (4877). In total, she broke the AR 7 times and won the nationals 8 times, and she is remembered as one of the most talented and successful Americans ever.

1972: Evans, after 1968, won the AAU 440 in 1969 (45.6) and again in 1972 (45.0 for 400). In the Trials, though, he was 4th (45.1) and though not securing a spot on the 400 Team, he did qualify for the 4x400 team. However, because of injuries to other team members, Evans did not compete in the Games because the U.S. did not have enough healthy members available for the team. He ended his career with 3 400m WRs, 2 4x400m WRs and an unofficial World Best at 600m (1:14.3, a time which has yet to be bettered), along with 5 indoor WRs. Also making the team was one of the country's best-known middle distance runners, Francie Larrieu. A 1970 graduate of Fremont, she (like Daniels) was not able to compete for her school because girls programs had still yet to begin. She was one of the first members of the San Jose Cindergals and the first of many fine distance stars coached by Augie Argabright.

100y in '79, and in the AAU Championships set a national high school record of 45.51 in taking 3rd. As a USC freshman in 1980 he was runner-up in the 400 but won the Olympic Trials in 45.85. Unable to compete in the Olympics, he was ranked 9th in the World by Track & Field News. Making the team for a 3rd straight time at 1500m, Larrieu had run her total of American Records up to 34 (20 outdoors) by 1981. Track & Field News ranked her the top American at 1500 for the decade of the 1970's.

ABOUT THE PROGRAM

Here is a look at what's in the CCS Track & Field Championships program:

Records--Each page lists the entrants for one event, and at the top of each page an extended records section can be found listing the National Federation and CCS Meet records, along with the all-time best performances on the all-time national and state lists. Many times the "records" and "bests" will differ, and most often this is because the "best" was not ratified as a "record" because the mark came in non-high school competition. However, the "bests" are still highly legitimate marks and are considered the best performances in history by Track & Field News.

Past CCS Champions--A listing of all CCS champions in every event is also given on each page. The CCS was first formed in 1966; prior to then, it was part of the North Coast Section. Girls competition did not officially begin until 1974.

All-Time CCS Lists--The current CCS all-time top 10, as compiled by Howard Willman (Track & Field News), is also given for each event. Athletes need not have represented his/her school to make the list. As long as marks can be proven legitimate, they will be included on the lists regardless of affiliation (though the lists always given the high school as the affiliation).

Abbreviations--Relax. Can't figure out what some of the symbols mean? Here's your guide. On the all-time lists, *=junior, **=sophomore, ***=freshman, ?=class unknown; all others are seniors. y=yard equivalent, m=metric equivalent, i=mark made indoors. Any other remaining abbreviations are explained on the page in which they appear.
