RON McCREE—100m

Senior Ronald McCree (Madera), the pre-meet favorite, defending State Meet champion at 10.49 and Central Section champion in 10.51, edged super sophomore Quincy Watts (Taft, Woodland Hills), the Los Angeles Section champion in 10.62—10.57 to 10.59. Senior Kevin Hendrix (Roosevelt, Fresno), second in the Central Section, placed third in 10.63.

Only four athletes have won back-to-back sprint crowns—1959 Bill Cowlings (Fowler) 9.7 and 1960 9.7 (100 yards); 1961 Forrest Beaty (Hoover, Glendale) 9.5 and 1962 9.5; 1973 Elijah Jefferson (Crawford, San Diego) 9.6w and 1974 9.8; 1985 Ronald McCree (Madera) 10.49 and 1986 10.57.

McCree has always had a slow start out of the blocks. "All during the warm-

ups, I concentrated on coming out of the blocks...all I thought about," said McCree to Mary Ellen Driscoll of the *The Fresno Bee*. "I wasn't even worried that I would think too much about it. In fact, I think it helped me even more. I thought about it more than any of the other meets I've been at."

"I had a great start and really felt good because of that start," said Hendrix to Driscoll. "There's not a whole lot of time to think in a 100 but—at about 70 meters, 80 meters—I thought, 'I've won it, I've won it.' Then I felt Ron McCree moving up on my side. I tried to hold him off as much as I could, but...."

"In the 100, we came out of the blocks and it was just like home," said McCree. "There I was, catching up to Kevin Hendrix."

QUINCY WATTS—200m

"I'm not upset. I felt I had done the best that I could tonight," said McCree to Driscoll. "I've been to the State Meet three years now and I've learned how to handle the pressure of a meet this size. I told my teammates last week that it's a different world down here, that it's not like running the Valley (Central Section)."

STEVE LEWIS—400m

Junior Steve Lewis (American, Fremont), a transfer from Banning of Wilmington, who set a North Coast Section meet record of 47.31, upset pre-meet favorite senior Marvin Douglas (Fremont, Los Angeles), the Los Angeles Section champion in 47.00—46.59 to 47.14. Senior Kevin Hendrix (Roosevelt, Fresno), the Central Section champion in 48.63, surprised the fans with his third place finish in 47.37, just 35 minutes after placing third in the 100.

Lewis' time of 46.50 in the trials is the second best in the United States this year.

"This year I was more mentally prepared. As a 10th-grader, I didn't believe in myself as I do now," Lewis said to Jerry McDonald of the *Hayward Daily Review*. "I had a lot of things to improve on. This hasn't sunk in yet. It seems like another meet, except for all these people." Last year Lewis was eliminated in the trials.

"He (Marvin Douglas) made me alter my plan. I usually break into the clear and then relax before the homestretch," Lewis said. "But he made me go harder for a longer distance. He didn't let me relax."

Eric is the national leader with Mark Dani second and Mark Mastalir third.

"Mark and I have talked about it (which races to run) alot," Eric Mastalir said to

Bob Burns of *The Sacramento Bee*. "We've worked so closely together the last few years and for us to both win a race and not have to worry about beating the other guy, that's great."

"I knew Mastalir and Dani would be strong," said McAboy to Don Peterson of the *Contra Costa Times*. "I wanted to stay with them as long as I could. I felt if I could stay with them until the last 400, I'd be competitive. It didn't happen, but I can't complain about a seven-second PR. I'm happy. The pressure's off now. It's time to relax."

STEVE TONEY—PV

Toney cleared 15-0 on his first try, 15-4 on his second, 15-8 on his first, passed at 16-0, cleared 16-2 on his first try, and missed three times at 16-7.

Burns claims that in all his qualifying meets before the State Meet, he's been allowed to take five "run-through" vaults at 15 feet, his normal opening height, to get warmed up and get his steps down.

But Saturday, Burns was told he would get just one run-through.

"They told me (of the rule change) 15 minutes before the event started," said Burns to Don Peterson. "Earlier today, I'd been told I'd get five. I guess some coaches protested, so the officials changed their minds and said we could only have one run-through. That's not enough. I had no chance to catch my steps. I was starting to hit it on my last vault, but it was too late. We put in a protest, but that won't make any difference now. It (the rule change) affected both Steve Toney and I, but when he started out, he was on. I wasn't. I don't want to take away from Toney. He jumped well and got his PR."

"It was worthless to warm up on the ramp," Toney said to Mark Gonzales of the *Times Tribune*. "I warmed up on the track. I wasn't worried. But I could tell Brett was overly concerned. He's (San Jose City College pole vault coach Joe Verstrepen) helped me 100 percent. This is the first time I've had a coach. He has helped me with my technique. I used to use the old pole vault style, but he's helped me with my running and my approach. I felt I could have cleared 16-5 on that 16-2 attempt. But 16-7 can come next year."

Senior Brian Boggess (El Capitan, Lakeside), the San Diego Section champion at 60-3/4, won at 61-4. His series: -, -, 59-9/4, 61-4, 59-6/4, 60-4/4. Sophomore Kaleaph Carter (Edison, Huntington Beach), the Southern Section champion at 61-11, placed second at 60-7/4. Scott Bunnell (Gunn, Palo Alto), ninth in the 1985 State Meet at 56-5/4, the pre-meet favorite and Central Coast Section champion at 63-2/4, was third at 58-7.

"It's an exciting feeling when you're competing and a proud feeling on the victory stand," Boggess said to Steve Brand of *The San Diego Union*. "It's part victory, part completion and part relief."

"It was a definite picture in my mind that I could be No. 1 in the state," Boggess said to Ric Bucher of *The San Diego Union*. "I wanted to be champion of both (shot and discus), because I saw this as a representation of everything I've done in track. When I didn't finish first in the discus, I felt I had failed. I was struggling to accept that."

"I would have been very happy if I would have gotten a personal record, because that would mean I ended the season the best I could," Carter said to Billy Rhodes of *The Orange County Register*. "I thought I would have hit a personal record on the last throw if I didn't stop in the ring. It's something I usually don't do. Boggess got an excellent throw from good technique and he was in a position where he didn't have to throw any better. I have to try to look at it in an optimistic way because I'm only a sophomore. Right now I'm disappointed; it (second place) will probably hit me tomorrow."

"I've had only three throws over 60 feet, and my personal best came last week," Bunnell said to Mark Gonzales of the *Peninsula Times Tribune*. "I can't say I'll do it again. I just now I did the best I could."
