

Bellarmino boys and St. Francis girls take titles

LOS GATOS — Bellarmine Prep's lack of sprinters may hurt its chances to unseat six-time defending Central Coast Section boys track and field champion Independence. But that weakness was merely a minor problem Saturday as the Bells won the third annual Kiwanis Bellarmine Invitational at Los Gatos High School.

Bellarmino, bolstered by strength in the middle-distance races, outpointed Independence, 68-61. Oakland High finished third with 38 points, followed by Leland with 29, Riordan with 28 and St. Francis with 21.

St. Francis took the girls title with 40 points. Mitty was second with 28, North-

gate third with 27 and Oakland fourth with 26.

"It's always nice to get a leg up on a strong team like Independence," said Bellarmine coach Terry Ward. "Considering the poor weather conditions, this was a great meet with some excellent early-season times."

Alonzo Davis of Fairfield won the boys' outstanding athlete honors with a triple jump of 49-3/4, the best in the state this year. Davis also won the long jump at 22-6 1/4.

Bellarmino, however, received outstanding winning performances from Scott Robinson in the 800 and the mile. Robinson's time in the mile (4:17.48) was a meet record. Bell teammate Torre Pena took second in the mile and won the two-mile (9:34.6), just ahead of teammates Ian Champeny and Scott Meinhardt.

Ward pointed out that Riordan star Tony Miller's meet records in the 100 (10.59) and 200 (21.93) were among the best in the state. Ward also said that, under the conditions, the winning time of Gunn's Haile Clay in the 400 (50.28) was very good. Bellarmine's John McClenahan, who lives in Menlo Park,

was second at 51.1.

In the field events, Bellarmine's Nic White took second in the discus with throw of 159-10 and Serra's Dave Cvitanovic was third at 158-8. Santa Clara Will Gath was took second in the shot with a throw of 53-0.

In the girls meet, St. Francis' Mac sisters, Roslyn and Joslyn, and Kare Lawson led the Lancers, helping to win the 400 relay in a meet-record 48.2. Roslyn was second in the 400 behind Oakland's Rowanda Brooks, who also won the 100 and 200. Lawson set a meet record of 18-2 in the long jump.

Gunn's Jenny Peters set a meet record with a 120-4 discus throw.

Dear Coach,

In this season of different weather patterns, the K-Bell Meet has run into a stone wall. San Jose City College will not have the track ready for the Saturday. Instead of going into details, the track has not been fully painted, and is thus not for use this weekend. The meet will be run on a different site this year. We are very fortunate to have the use of Los Gatos High and their fine 400 Chevron Track. Thus we will move the meet about 8 miles from San Jose City. Next year the meet will be brought back to City.

Los Gatos High has an all-weather track so that all running and field events that required 1/4 inch spikes will continue.

Also we are changing around the order of events for the afternoon session. We will follow the State Meet order and it is listed below.

- 3000 meter run F/S
- 400 meter relay
- 1600 meter run
- 110/110/65 Hurdles
- 400
- 100
- 800
