GIRLS JR. VARSITY

No dual meet competition was conducted in the Girls Jr. Varsity division.

The DeAnza Athletic League champion in the Boys Varsity, Girls Varsity and Frosh/Soph Divisions is determined by a combination of dual meet and league championship meet standings. By league bylaw, each team is awarded 1 point for each dual meet victory. These points combined with points earned from their placing in the league meet determine an overall champion. Should a tie exist, the team placing higher in the league meet is declared overall champion.
