

Coaches:

The Track & Field Staff here at West Valley College would like to thank you and your athletes for making the 21st Annual *West Valley Relays* a huge success. The excellent competition produced new meet records and some section leading marks. Our meet format continues to prove advantageous for all by spotlighting your Frosh/Soph athletes on Friday night and providing a full schedule of events for your Varsity and Girls on Saturday. We welcome any comments or suggestions you may have for improving our meet in any way.

Enclosed you will find complete meet results and the revised meet records so you will know what to shoot for next year. Again, thanks for participating in the largest ever *West Valley Relays*. We look forward to another two great days of track & field next year.
