Dear Coach,

This year we are anticipating the finest Terra Nova Invitational

We will continue our policy of starting on the Baseball diamond, and finishing into multiple chutes, in order to prevent a congested finish. Again, there will be three divisions, with a total of twelve races.

Entry fees will be \$.30 per runner, plus \$2.00 per school. For example, a school entering 20 runners will pay \$8.00. Fees must be postmarked by Oct. 14, 1966.

No spikes will be allowed. It is suggested that runners use rubber soled shoes, or run barefoot.

Showers and dressing rooms will be provided, but towels will not be available. It is suggested that nearby schools dress at home.

Paid officials will handle the meet, and will be extremely strict concerning runners who cut corners in a race. Field judges will be a every turn.

Please mail the enclosed post card within one week. Our awards are very costly, therefore it would not hurt if you overestimate your entries (as well as your fees). Those teams not participating will kindly mail the post card, indicating so.

The Jr. Varsity Division is a reserve team only. The top five runners must enter either Varsity or Soph-Fresh. Incomplete teams must still compete Varsity. No exceptions.

All races will be 1.9 miles.

Refreshments will be available.

Coaches competing for the Coaches' Trophy must enter a team in each division. (Except 3 year schools)

Negotiations are again in progress for television coverage.

See you the 22nd of October. First race at 10:00 A.M.

Yours in Track

Dennis Lanterman
